ORGANIC CHEMISTRY

SUMMER PROGRAM IN DUBLIN, IRELAND

1-YEAR COURSE IN JUST 8 WEEKS

JOIN US IN IRELAND – WHERE THE CHEMISTRY IS UNBELIEVABLE!

How would you like to complete a full year's study of Organic Chemistry in **just 8 weeks**? That's exactly what's on offer when you sign up to our Study Abroad Program in Dublin, Ireland. Running from mid-June to mid-August, it not only offers the chance to accumulate 7.5 course credits, but also lets you sample life in one of Europe's most dynamic and exciting capital cities.

Once again, the Program is run in association with the UCD School of Science, and is made up of a combination of lectures, tutorials, and laboratory work.

IS THIS PROGRAM FOR YOU?

You should check with the Study Abroad Advisor on your campus to see which Chemistry sequence the course is approved for. This will vary from campus to campus.

ABOUT THE PROGRAM

The program runs for eight weeks, split into two separate modules of four weeks duration. **Both** modules must be completed, and you will need a Grade Point Average of 2.85 and a knowledge of basic chemistry to participate. This intensive program will be delivered by a panel of dedicated teachers and academic lecturers and will include:

- STRUCTURE AND PROPERTY OF ORGANIC MOLECULES.
- IMPORTANT COMPOUND CLASSES.
- SPECTROSCOPIC STRUCTURE DETERMINATION.
- IMPACT OF FUNCTIONAL GROUPS ON BIOLOGICAL ACTIVITY.

IRELAND'S LEADING UNIVERSITY IS READY TO WELCOME YOU.

University College Dublin is Ireland's most global university, offering world-class academic, residential and sporting facilities. Located just a few miles from the heart of Dublin city and within easy reach of the coast and the magnificent Irish countryside, you'll be spoiled for choice when it comes to spending your free time in this wonderfully welcoming city.

Your accommodation comprises private bedrooms in comfortable 4-bedroom and 6-bedroom apartments, with shared kitchen and living room. Weekly house-keeping and change of bed linen are included. You'll also enjoy an excellent 5 Day Dining Plan, which means you don't have to cook for yourself on class days.

WELCOME TO DUBLIN – WELCOME TO EUROPE.

We want to make sure that you get to enjoy your Irish experience to the fullest, which is why we have a fabulous social program on offer, including tours of Dublin city's cultural and social hotspots, and visits to some of Ireland's most amazing attractions such as the Cliffs of Moher and the Giants' Causeway.

And within just a couple of hours, low-cost flights can whisk you to some of the finest cities in Europe, from Paris to Barcelona, from London to Florence, or from Budapest to Berlin.
