“Hybrid” Program Sites

These are programs where a faculty member accompanies a group of students to a location and teaches them 1 or 2 courses, but students make up their full-time load by taking additional courses at the overseas (host) university (and most often these are semester programs). These are possible in the following locations: Buenos Aires, Prague, Vina del Mar, San José, London, Cannes, Grenoble, Paris, Athens, Hyderabad, Limerick, Florence, Rome, Stellenbosch, Barcelona, Granada, Salamanca.
