December 2017

Theresa Hinteregger-Smoly

The Austrian CHC Value Tree

During our last Sales Meeting in December we created a Value Tree.
Every CHC team member chose another team member by chance.
Then everyone told the chosen person what was special at this person and
what they especially liked in working together with this person.
This message was written on a Xmas bowl and clipped to the value tree.

SANOFI

Value Tree

**The VALUE tree is now hanging in our office
and
whenever you are feeling bad,
you can read out
the lines
of your colleague –
immediately
feeling
better
again!**
