Additionally, as a SOC member, Bellevue University meets the criteria necessary to provide quality programs to Army personnel through GoArmy.

The staff, counselors, and professors you'll interact with understand where you're coming from and what it takes to help you reach your career and life goals.

Access financial aid

Our dedicated military enrollment and advising teams have special knowledge of the GI Bill and Tuition Assistance policies of the Army. They will help you access all the financial aid you're entitled to.

Using Tuition Assistance and Top-Up funding

At a cost of \$350 per credit hour, Bellevue University is an affordable investment in your future. Military tuition assistance will pay for \$250 per credit hour taken (up to a total of \$4,500 per fiscal year). This assistance can be supplemented with the "Top-Up" program, which will cover the remaining costs of your tuition. ("Top-Up" funds are meant to supplement tuition assistance, so they are only available when using tuition assistance.) Taken together, tuition assistance and "Top-Up" funds will pay for 100% of your college tuition, up to the above stated maximum.

Bellevue University is a Yellow Ribbon Program participant. That means you may be eligible for additional funds to cover costs.
