

HIGH-STAKES **THINKING**

A climber in an orange jacket is seen on a steep, snow-covered mountain face. The background shows a range of rugged, snow-capped mountains under a clear blue sky. The sun is low on the horizon, creating a soft glow.

*Effective and creative approaches to
complex, unstructured problems*

A close-up of a rope knot, featuring a white rope with black diamond patterns and an orange rope with black diamond patterns. The knot is a complex, multi-looped structure.

ABOUT **BERKELEY RESEARCH GROUP**

Berkeley Research Group, LLC is a leading global strategic advisory and expert consulting firm that provides strategic advice, independent expert testimony, litigation and regulatory consulting, authoritative studies, and document and data analytics to major law firms, Fortune 500 corporations, government agencies, and regulatory bodies around the world.

Berkeley Research Group is headquartered in Emeryville, California, with offices across the United States and in Australia, Canada, Latin America, and the United Kingdom.
