

**Minot State**  
UNIVERSITY

**Be seen. Be heard.**

## Here for you...

- Undergraduate and master's degrees.
- Spouses may use their \$6000 education benefit with MSU's flexible schedules.
- Over 20 credits at no cost to you when you take advantage of your TA of \$4500.
- Courses/degrees offered on base, downtown campus and online.
- In-state tuition for all military students.
- An accredited university offering specialized advising for active-duty military and spouses.
- Continue pursuing degree while on TDY, PCS or deployment.

“Transferring isn’t always so easy as a spouse but the ease of transferring into Minot State University’s community and quality education programs has been great. I’ve been given the opportunity to pursue my goal of becoming a high school math teacher.”
