

EXPERIENCE IT FOR YOURSELF
Bonfire Proof-of-Concept

Bonfire makes your sourcing process easy, and it's just as easy to give it a try.

Most organizations using Bonfire start with a Proof-of-Concept, which provides the opportunity to experience the power of Bonfire at a low cost without a long-term commitment. This is not a scaled down version of our solution—you'll have access to the full Bonfire platform, so you can truly evaluate how Bonfire fits with your current workflow and benefits your team.

Sign up for a **low-cost trial with no long-term commitment**

Include your team to make sure Bonfire fits your needs

Get started quickly in a **1 hour implementation call**

Bonfire **supports you, your evaluators and vendors** at every step of the way

If you don't love it, walk away! There is no obligation to continue.

Experience the **Bonfire** difference!

“ Great product – it has saved many hours in the evaluation of RFPs. It's easy to use, and the staff are extremely helpful, flexible and responsive.

Lynn Meihm, Procurement and Budget Officer
