

Grow. Protect. Evolve.

We are focused on helping you grow and enhance your bottom line, protect your business and consumers, and evolve to stay ahead of your competition.

We offer suites of solutions that aim to achieve the following primary outcomes for your organization:

- Discover a variety of products, services and delivery methods to **enhance revenue**.
- Maximize your operations, explore industry best practices and add new product lines to **expand lending**.
- Take steps to protect your business and consumers with our solutions to **manage risk**.
- Stay ahead of the competition with innovative and compliant solutions to **improve market share**.
- Invest in unique benefit solutions, training programs and development resources to better **engage employees**.

ABOUT ALLIED SOLUTIONS

We have 40 years of experience helping more than 4,000 clients grow, protect and evolve their businesses. Our solutions are supported by more than 1,000 associates, delivering professional and consultative services across the nation. Our business is wholly owned by Minnesota Life Insurance Company and independently operated under the umbrella of the Securian Financial Group.
