As part of the Sydney Welcome Week, the start of your program includes a self-guided walk through the Botanical Gardens to the Opera House, a coastal walk from the famous Bondi Beach to Coogee Beach, and an evening visit to the Sydney Observatory to view the starry night sky. Throughout the rest of your program, self-guided events will be offered each week. These events are ever-changing and diverse and can include entrances to exhibitions at the State Library or Museum of Contemporary Art, a comedy show, a public lecture at the Sydney Opera House, or a Harbour Bridge walk. The My Global City calendar also offers several opportunities for volunteering throughout the term.

“The two analysts supervising me were not only very helpful and patient—they were real. I never felt uncomfortable voicing my concerns. I never felt judged for saying I didn’t know something. By the second hour I already felt welcomed and valued. I was never made to feel like a commodity; they understand that learning and growth is rarely a linear path. With a clear mind and a healthy workplace, I can learn quickly and realize my potential.”
