

# IT SUPPLIES Color Management

IT Supplies is here to help you with all of your color management needs

- 1** We have IDEA Alliance, SGIA, and G7 Certified professionals on staff to help you with your critical color needs.
- 2** We are certified professionals here to help you implement ONYX, SAI-Flexi, EFI, Wasatch, GMG, PrintFactory, and more.
- 3** We have the latest technology to support your shop. Spectrophotometers by X-Rite, Barbieri, and Techkon. Many items are in stock and ready to ship same day!
- 4** We are here to help you design and automate your workflow so that you can increase your efficiency across the board. From PDF validation with PitStop to JDF implementation, we can help you design the workflow that suits your needs.
