

EPSON MID-FORMAT SUBLIMATION PRINTER

5

Get Fast, Reliable 24" Wide Printing Right Out of the Box with Epson's SureColor® F570 Dye-Sub Printer!

Ideal for personalizing awards, mousepads, mugs, and more, this high-performance printer delivers professional-quality dye-sub prints using powerful PrecisionCore® technology.

Increase production or expand into larger products

Produce bigger products than ever including car mats, neck ties, lanyards, and up to 20"x30" photo panels such as glass, metal, wood, MDF, and more

Versatile media support

Accommodates rolls and sheets up to 24" wide; includes a 50-sheet auto-feed tray and built-in cutter for added efficiency

Get bright, brilliant images

Epson UltraChrome DS ink delivers extraordinary color saturation & high contrast while the 140 ml high-capacity ink bottles feature auto-stop for easy, mess-free filling

Compact design

The printer's 38.2"Wx22.7"D footprint is ideal for use on a desktop or on its optional printer stand (sold separately)

Easy printing right out of the box

Equipped with software optimized for dye-sub, including drivers for Mac and Windows

NEW! EPSON SURECOLOR F570 PRINTER

A true turnkey solution, the SureColor F570 arrives with a host of convenient features to streamline workflow, including specialized transfer paper for both rigid and soft media, a 50-sheet auto-feed tray and built-in cutter, and drivers for Windows® & Mac®. Plus, with its compact, space-saving design, you can maximize workshop space.
