

CPA Firm Core Story

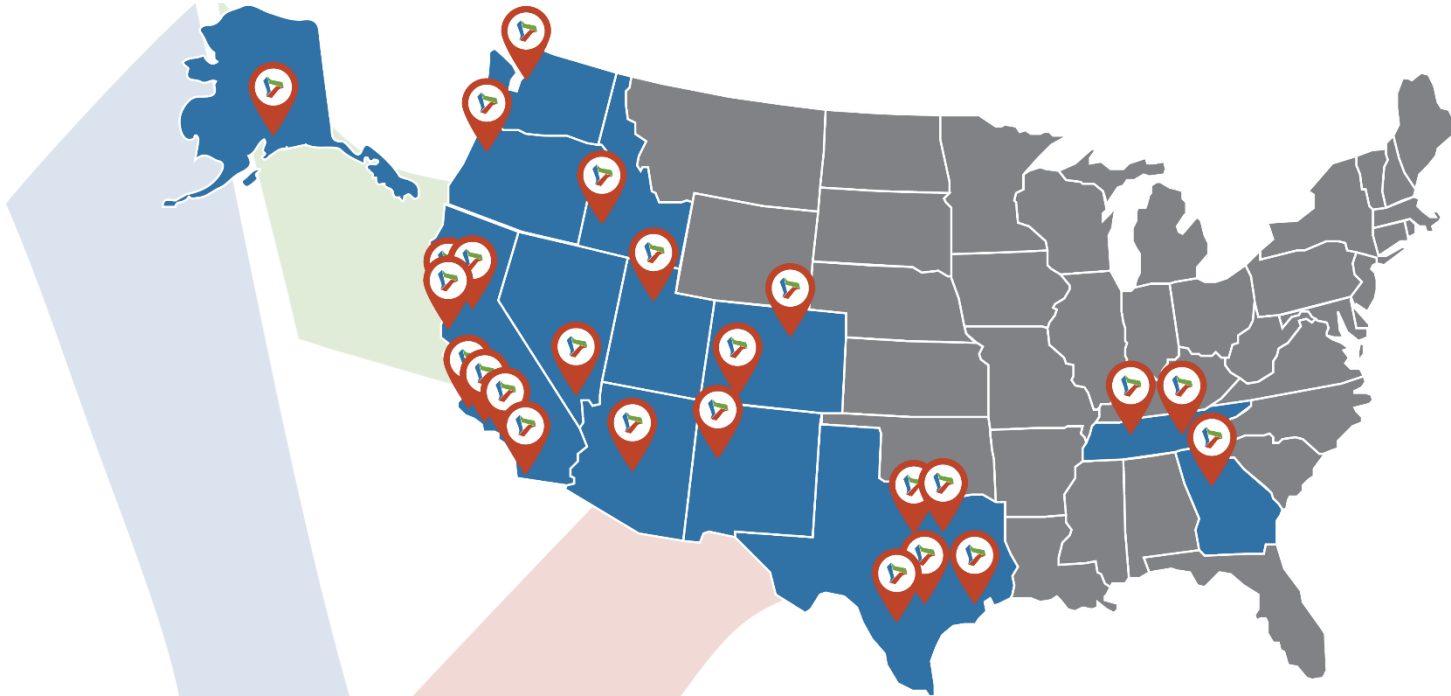

FOR INTERNAL USE ONLY

NOW CFO is a “roll-up your sleeves” consulting firm specializing in CFO, Controller and accounting support.

Our expert employees **fix** the accounting and finance problems all companies face.

Now CFO Offices

Anchorage | Atlanta | Austin | Boise | Dallas | Denver/Boulder | Durango | Farmington | Fort Worth
Houston | Knoxville | Las Vegas | Long Beach | Los Angeles | Nashville | Newport Beach | Phoenix
Portland/Bend | Salt Lake City | San Antonio | San Diego | San Francisco | San Jose | Seattle

- Insufficient accounting records
- Ineffective internal controls
- Lacks proper GAAP knowledge
- Firm realization

Client messes and disagreements cause more problems with less profit.

- Reduced realization
- Reduced utilization

We love your worst clients

“Our books are balanced. 50% of our numbers are real and 50% are made up.”

Cleaning up messes is what we do!
Your worst client is our best.

- Outsourced CFO and Controller
- Years of operations and accounting expertise
- Former auditors with Sarbanes-Oxley experience
- Trained in complicated technical issues

What we do NOT do:

- Taxes
- Audits
- Reviews
- Agreed-upon procedures

More work for you:

- Tax returns
- Tax planning
- Review/audit
- New clients

- Partnering with us will give you access to more prospects to improve the size of your portfolio!
- Let's work together
