

NOW

CFO

We do the dirty work

NOW CFO is a “**roll-up your sleeves**” consulting firm specializing in CFO, Controller and accounting support.

Our expert employees **fix** the accounting and finance problems all companies face.

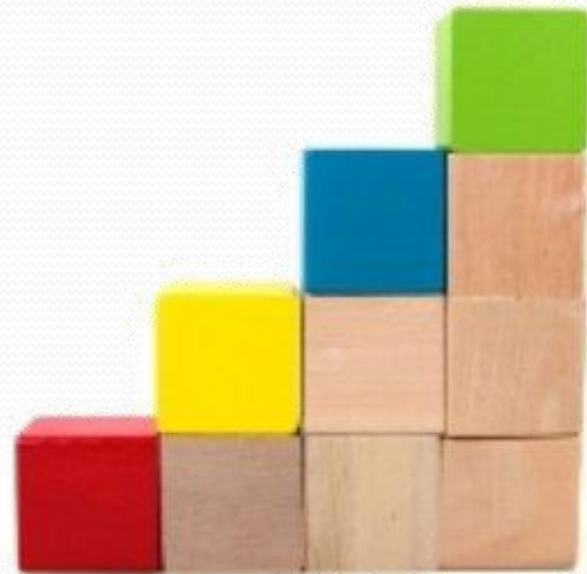

More arms & legs

- NOW CFO can provide “foot soldiers” who add:
 - Experience
 - Expertise
 - Capacity to tackle lingering projects

Resources at the right levels

1. Chief Financial Officer/Partner
2. Controller/Manager
3. Supervisor/Senior
4. Processor/Staff Advisor

Why did they call us?

- FTE Capacity Constraints
- Lingered Projects
- Close Process
- Interrupted Projects

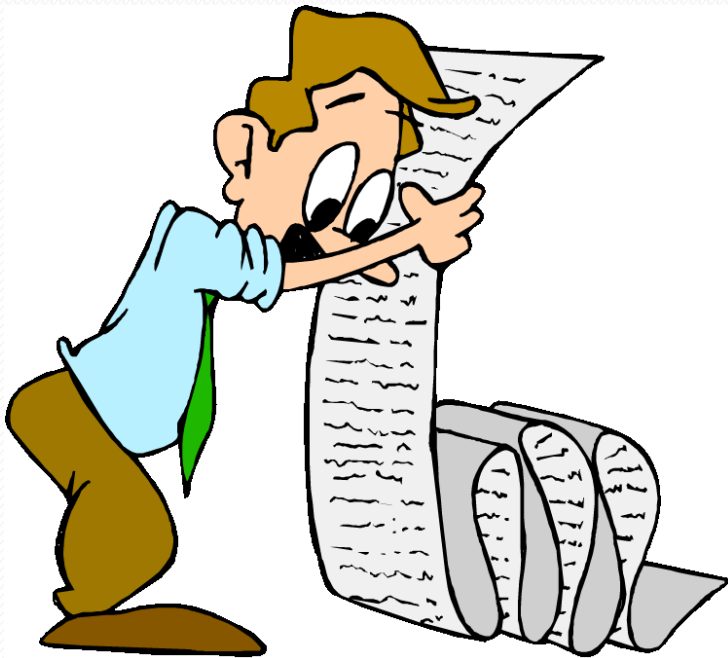

FTE Capacity Constraints

- Experience
- Expertise
- Head Count
- Time
- Employee Motivation

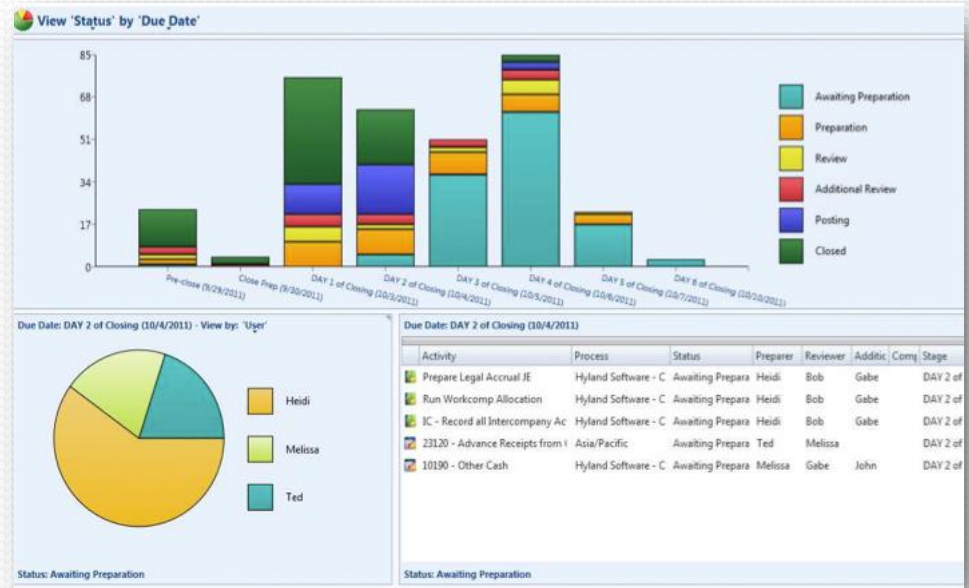

Lingering Projects

- “Wish list” items which never get done
- Hinders reporting
- Slows progress

Close Process

- Takes too long
- Inefficient
- Resources tapped out

Name brand consulting experience without name brand prices

- CPA certified advisors
- Public accounting experience
- We recruit versatile, experienced team members

We hit the ground running!

- Accounting support
- Cash Flow Forecasting & Treasury Management
- Audit Preparation
- Process Improvement
- Financial Reporting
- Restructuring and Turn Around

We hit the ground running!

- Internal Control Testing/Review
- Financial Statement Close
- Post Acquisition Integration
- Mergers and Acquisitions
- System Implementation
- Policies and Procedures

What Makes Us Different?

- Engaged to deliver a solution
- Cost (Have 2-3 of our people for price of 1)
- Flexible (throttle up or down)
- Work on location

“On-call” scalable resource

- Seasonality
- Travel
- Peak periods
- Team member headcount
- Flexible hours (extended)
- Subject matter expertise
- Experience levels

Client recommendations:

“NOW CFO provided a considerable improvement to our process of financial reporting.”

- Rune Kenneth Lædre, Partner, PwC, Trodhiem, Norway

“NOW CFO was instrumental in our client being able to complete their audit in accordance with the public filing deadline. Without NOW CFO, the audit would not have gotten completed in time.”

- Mark Rexroat, Partner, PwC, Dallas, Texas

“Great Job NOW CFO!”

- John O’Keefe, Chief Financial Officer, FRAM Exploration

“We couldn’t have completed this report without NOW CFO”

-Dave Clark, Chief Accounting Officer, GE Energy

Client recommendations:

“NOW CFO has done a great job. We have really enjoyed working with them.”

-Scott Lieberenz, Chief Financial Officer, Valley Baptist Health System

“I would like to credit NOW CFO! Without their hard work, dedication and diligence, the process would have been much tougher!”

- Andrew Lai, formerly Chief Financial Officer, Lucas Energy (LEI)

“NOW CFO has given us the capability to analyze our business in a very complete fashion. I was able to conceptually describe to NOW CFO what I needed, and NOW CFO responded with a great product.”

- Bill Dohn, Practice Administrator, Newborn Intensive Care Specialists
