# Own Your Risk

*With expert guidance tailored to the unique needs of ESOPs*

At Scott, we've helped ESOP companies embrace risk and achieve peak performance. We anticipate the risk challenges ahead and devise smart, creative solutions to improve your employees' health and safety and the profitability of your business.

## Scott Drives Solutions for ESOPs in these areas:

### Property & Casualty

- In-house expert service team & access to the top commercial insurance providers
- ESOP-related coverage needs (management liability)
- Risk consulting and claims management focused on culture

### Employee Benefits

- Data-driven healthcare plan design & financing strategy
- Sustainable wellness & health risk management solutions
- Pharmacy carve-out with 18-22% average savings

### Group Captives

- An alternative risk financing strategy with greater control, enhanced coverage & service, and long-term savings

### Bonds

- Surety expertise coupled with a deep understanding of ESOPs
- ESOP transition guidance that maximizes surety credit

## Guided By The Spirit of Employee Ownership

As a 100 % employee-owned company, we are driven by a passion to develop creative solutions that deliver value for our clients. We understand that when our clients succeed, we succeed.
