

# The Safe and Affordable P2P Alternative.

# ExcheQ®

**Now Enrolling Community Banks**

**ExcheQ is the simple, safe and affordable P2P platform designed for Community Banks.**

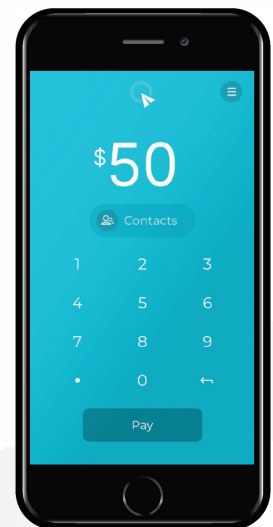

ExcheQ is a smartphone app-based payment service that allows your community bank customers to send personal payments to their friends and family members. ExcheQ effortlessly moves money from one bank account to another, often on the same day with no fees. Best of all, the app works with all ACH processing systems.

### ExcheQ Features:

- Uses your bank's existing infrastructure
- Leverages Same Day ACH
- Payments can settle within traditional ACH windows
- Your bank can set daily request and dollar transaction limits

### ExcheQ Benefits:

- The app is NOT REQUIRED to receive payments
- NO PAYEE REGISTRATION is required
- Works with ALL ACH processing systems
- NO THIRD PARTIES accessing your customers' data
