

FLY MY GROUP

Connecting your group to the world.

ABOUT FLY MY GROUP We are a dedicated team of passionate industry professionals that are committed to saving you big bucks on airfare while providing you around-the-clock service, access to deals not available to the public and the best itinerary options based on your group's travel needs.

WHAT WE DO We book and manage your group's domestic and international airfare utilizing private contracts that are not available to the public. Whether you have are a tour, school, corporate, performance, or service group traveling; the Fly My Group Team is here to partner and provide you a great group air experience!

Private Airfare Contracts Access

Affiliations & Memberships

Are you tired of missing out on insider deals and spending countless hours working with the airline's general group desks?
Fly My Group is the solution! Partner with us and experience the difference today!

By working with your friends at Fly My Group you receive:

- Immediate access to carriers around the globe.
- 24x7 support - speedy estimates, itinerary and quote options.
- Lowest prices for private (deeply discounted) and published fares on the market.
- Usable technology that empowers you with efficiencies that save time and money.
- Web based API's available.
- Better Fare Finder - your new BFF that automatically rechecks group air prices.
- My Fly My Group - tool that enables you to manage your group air, generate custom branded e-ticket receipts, itineraries and more!

Our Process = Team price checks + Auto rechecks (Better Fare Finder) = BEST RESULTS
