GET AHEAD OF THE CURVE

DO YOUR EMPLOYEES KNOW WHAT IT FEELS LIKE TO WIN?

PROFIT & CASH®

THE GAME OF FINANCIAL LITERACY

LEARNING ABOUT NUMBERS REALLY CAN BE FUN!

100% of attendees experience increased Business & Financial Literacy by playing the game!

– Why Play –

- Businesses need every employee to contribute to the financial success of the company
- Employees must possess both financial & business literacy
- Nearly 70% of Americans wouldn't pass a basic financial literacy test
- Financial Literacy improves productivity & performance
- Amplify the business intelligence of your organization
- The ultimate language of business is financial impact through informed actions

– Player Outcomes –

- Understanding how the business makes a profit & how cash is generated
- Attain true financial acumen
- Develop an understanding of how decisions influence the big picture
- Achieve a greater understanding of individual impact on the bottom line
- Financial & Business Literacy greatly increases, often two-fold

Over 1/2 million people have played Profit & Cash®

“The game was first and foremost engaging as well as extremely educational and provided real-world experiences connecting to the financials in a practical way”

-A Player of Profit & Cash®

OUR VISION IS TO SEE YOUR VISION THRIVE!
