## CUSTOM DATES & CONTENT

USC Marshall School of Business students take part in a 9-week program in Milan with 1-week of language coursework and 8 weeks of full-time internship experience to satisfy a school requirement.

## COURSE + INTERNSHIP

University of Georgia Terry College of Business students complete a 2-week faculty-led course in Economics and a 6-week full-time internship in their field in Shanghai for a total of 6 credits from UGA.

## SHORT-TERM EXPERIENTIAL PROGRAM

A cohort of Towson University students from freshmen to seniors earned 2 credits for a General Education course on career planning and preparation while in London for 14 days during their January break.

## ADD-ON MODEL

Fairfield University students attend a local university in Barcelona, Florence, London, or Sydney, and complete coursework alongside a part-time internship in their field, organized by GE.
