

North American Faculty

Vickie Graymire, RN, MS, CEN, CAISS

Vickie has been involved in the trauma and critical care for several years as an emergency department nurse and clinical nurse specialist. She was the Trauma Program Director for St. Rita's Medical Center (Level II) and Grant Medical Center (Level I), was instrumental in developing a regional trauma system in northwest Ohio (NORTR) and served as the former International Technical Coordinator of AIS. She is actively involved as a reviewer for the American College of Surgeons and educator for the Society of Trauma Nurses.

Vickie has been AIS faculty since 2014 and is currently the Performance Improvement Coordinator for the Central Ohio Trauma System.
