June 1-July 10, 2020
3 University Credits
\$1,200* Course Fee

ONLINE LEARNING & GLOBAL CONVERSATION

Since 1997 KEI Abroad has stood for the noble purpose of Exchanging Knowledge, literally it's in the name, KEI is the Knowledge Exchange Institute. The concepts of facilitating global conversations and intercultural experiences are at the heart of every KEI Program. This summer students cannot experience traditional study abroad programs, but we have recreated these concepts and brought them to our digital classroom space.

Join 15 guest speakers from over 10 different countries to discuss real world concepts of leadership.

Study theories in leadership and intercultural communications and their practical world applicability across 15 different industries.

Participate in global conversations with proven leaders and globally minded students.

Earn a \$1,000 KEI Travel Grant towards a future study abroad program.

*\$1,200 Course fee is for students from Affiliated Universities. Non-Affiliate student fee is \$1,400
