Everybody On 

WHAT MAKES HP ELITE PCS TRULY THE BEST OF OUR BEST?

Discover the **Five Key Reasons** to Choose HP Elite PCs

1

QUALITY & RELIABILITY

HP's most reliable and robust PCs, the 2011 HP Elite series was designed to withstand the constant use of business professionals. Elite series engineering surpasses **8 tough military standards** (MIL-STD-810G¹) for drops, vibration, dust, temperature, altitude, and more. And to ensure your PC is ideal for a rugged, fast-paced environment, each Elite PC endures **100,000 hours** of grueling tests before it reaches your hands.

QUALITY & RELIABILITY

100,000 Hours of comprehensive and rigorous testing following the HP Total Test Process

8 US military standards (MIL-STD-810G¹) met for resistance to: drops, dust, vibration, temperature, and altitude

140° Fahrenheit, the temperature which EliteBooks are exposed to during tests

26 Times that HP EliteBooks are dropped on all sides, edges, and corners to test maximum durability

6 Hours spent sprayed with dust to test environmental shielding

1,000 Miles of simulated ground-transportation vibration testing

SERVICE & SUPPORT

Available **24 hours a day, 365 days a year**, you have exclusive access to a dedicated team of Elite-accredited support professionals. With the advanced technical skills and experience to quickly resolve issues and provide answers to your questions, HP Elite Premium Support keeps you on point and in business. Simply call 1-800-334-5144 and say "EliteBook" or "Elite Desktop."

2

SERVICE & SUPPORT

24/7/365 Availability of dedicated Elite technical support specialists to assist Elite users

0 Extra cost for Elite Premium Support - included at no extra charge

1-800-334-5144 Just say "EliteBook" or "Elite Desktop" and a representative will answer to your call

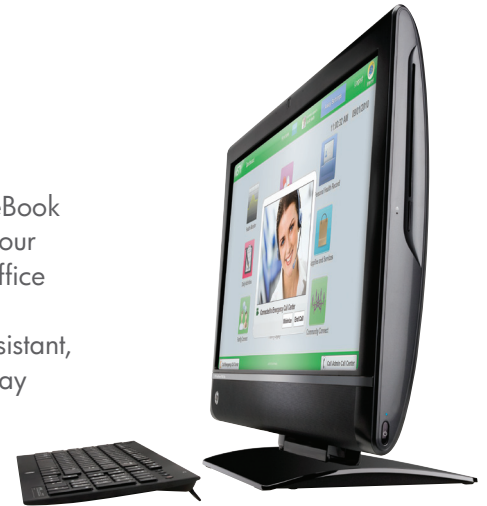

HP recommends Windows® 7.

DESIGN INNOVATION & SECURITY

3

Far exceeding industry standards, a properly configured HP EliteBook 8460p with Ultra Extended Life Notebook Battery can expand your reach with up to **32 hours of battery life**.² Venture out from the office with sophisticated HP ProtectTools³ such as Drive Encryption and Credential Manager. And continue to look great with smudge-resistant, HP DuraCase⁴ aluminum hinges and magnesium/aluminum display enclosure, a spill-resistant keyboard that drains away liquid, and HP DuraKeys⁵ that are 50 times more resistant to wear.

DESIGN INNOVATION & SECURITY

32 Hours of battery life on a properly configured 8460p with separately purchased Ultra Extended Life Notebook battery²

50% Less shock to the hard drive with exclusive HP 3D DriveGuard³ technology

50 Times the resistance to visible wear versus standard keyboards thanks to HP DuraKeys⁵

4 Access control technologies to help ensure that sensitive data is protected

4

COLLABORATION

HP Elite PCs come standard with tools for **collaborating** with your team, business partners, or customers. HP Virtual Rooms is your economical, online command center for conducting face-to-face business in real time across town and around the world.⁶ Whiteboard, editing tools, and the ability to share common applications are included.

COLLABORATION⁶

0 Travel expense to collaborate remotely using HP Virtual Rooms

225,000 Registered HP Virtual Rooms accounts

615,000 Active rooms

315,000,000 User minutes per month

5

TOTAL COST OF OWNERSHIP

Extended purchase lifecycles ensure your company can buy HP Elite products over long purchase phases in order to help avoid premature reimage expenses on software and peripheral hardware. HP Elite can also help enable **lower operating costs** with improved power saving technology such as new processors, 89% energy-efficient power supplies,⁷ a solid state storage drive,⁷ and power management solutions.

TOTAL COST OF OWNERSHIP

- 3** Years comprehensive parts warranty for all HP Elite PCs
- 3** Years of battery life from the HP Long Life Battery⁸
- 0** Tools required to upgrade critical system components thanks to the HP EasyAccess door

1. MIL-STD-810G testing was not intended to demonstrate fitness for U.S. Department of Defense contracts or for military use. Test results are not a guarantee of future performance under these test conditions.
2. Up to 32 hours requires the 9-cell primary battery, separately purchased HP BB09 Ultra Extended Life Notebook Battery and customer download of the latest Intel graphics driver and HP BIOS. Notebook must be configured with Intel graphics, optional Intel 160GB SSD drive, HP LED HD Display and requires Windows 7 operating system. Battery life will vary depending on the product model, configuration, loaded applications, features, wireless functionality and power management settings. The maximum capacity of the battery will decrease with time and usage.
3. Requires Microsoft Windows.
4. The tablet model does not feature HP DuraCase.
5. In independent testing conducted by Trace Laboratories, HP DuraKeys showed no wear after 250,000 cycles. Competitor notebooks showed significant wear after only 5,000 cycles.
6. A 60 day Virtual Rooms trial is included. Internet access required. Requires purchase of license afterwards. See www.hp.com/go/connectsolutions for details.
7. Sold separately or as an optional feature.
8. The 3-year limited warranty on the HP Long Life Battery is only available on platforms with a 3-year system warranty. The HP Long Life Battery will carry a limited 1-year warranty on platforms with a 1-year system warranty.
