

2020/2021 STUDY ABROAD PROGRAMS FOR *Health Science Majors*

AIFS is pleased to provide many exciting opportunities for Health Science majors to study abroad, with relevant courses and, in many locations, hands-on experiential learning opportunities which provide valuable insight into health care in an international setting. Studying abroad in your field, particularly with an experiential learning element, could be the differentiating factor to make your résumé stand out above others when applying for jobs or post-graduate opportunities.
