

## HOLISTIC TRAVEL RISK MANAGEMENT SOLUTIONS

# PROTECT YOUR PEOPLE, PROTECT YOUR ORGANIZATION

Whether you're in the early stages of developing a travel risk management program or enhancing an existing one in response to an increasingly complex risk climate, On Call International offers a wide range of TRM services that can be customized to meet your organization's size, budget and unique operational requirements.

For over two decades, On Call has gone beyond the realm of traditional assistance and response to blend strategic planning, innovative technology and proactive education in support of your travelers, your organization and your overall duty of care.

### EDUCATION AND PREPARATION

Informs travelers and administrators about the risks they may face in their destinations and helps put resources in place to protect and support them.

- **On Call offers** a proactive approach to education and preparation through training resources customized for your organization.

### MEDICAL AND SECURITY INCIDENT RESPONSE

Ensures travelers get the assistance they need, when they need it, through global medical and security evacuation capabilities.

- **On Call offers** customized emergency response programs that integrate the services and benefits you need to protect your travelers and your organization.

### DAY-TO-DAY TRAVELER ASSISTANCE

Provides medical, travel and safety services to help with less critical travel problems such as a lost passport, prescription replacement, or even finding a doctor in an unfamiliar destination.

- **On Call offers** global and domestic assistance so travelers have access to emergency resources 24 hours a day, 365 days a year regardless of where they're traveling.

### BEHAVIORAL HEALTH SUPPORT

Delivers accessible, day-to-day behavioral health services as well as onsite crisis management support following a significant event.

**On Call offers** flexible access to compassionate, Masters-prepared behavioral health professionals to support your organization during a crisis with immediate and ongoing resources.

### INNOVATIVE TRAVEL RISK MANAGEMENT TECHNOLOGY

Prepares travelers and administrators alike with a travel monitoring system and administrator's dashboard, threat and risk assessment intelligence, as well as an efficient delivery method for destination and plan information for travel incidents worldwide.

**On Call's technology** is fully integrated with our travel risk management programs. From efficient, one-click addition of 24/7 contact information to a traveler's phone, to automated delivery of travel risk briefs and incident alerts, to interactive dashboards and travel monitoring systems through our Searchlight suite, On Call provides a seamless end-to-end solution for travelers and administrators alike.
