2,800

FACULTY

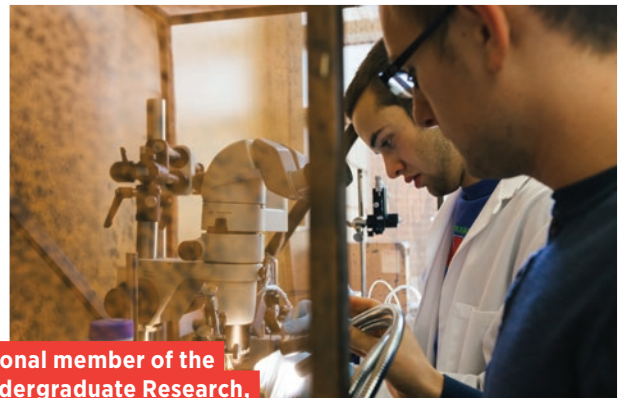

In the classroom or out in the field, you're never far from an expert ready to guide your education.

ABOUT KU

As a major teaching and research university, KU is one of 34 U.S. public institutions in the prestigious Association of American Universities (AAU). Our tuition is lower than tuition at many AAU universities, allowing students like you more affordable access to our nationally ranked programs.

Additionally, our Applied English Center courses cost about one-third less than undergraduate degree courses.

aec.ku.edu

As an institutional member of the Council on Undergraduate Research, KU encourages undergraduate students in all disciplines to pursue research alongside faculty. ugresearch.ku.edu

KU's student-to-faculty ratio is 17:1

Notable alumni include CEOs of international corporations, Pulitzer and Nobel Prize winners, renowned scientists, and astronauts.

STUDENT LIFE

28,000

STUDENTS

Not too big, not too small — KU is the ideal size to gain hands-on experience at a major public university.

100+

COUNTRIES REPRESENTED

International Student Services (ISS) supports KU's large international student population. That includes immigration advising, social programs and events, and health and insurance services.

ABOUT LAWRENCE

Lawrence, a progressive city of nearly 100,000 in northeast Kansas, consistently rates as a top-10 town. Here, you'll experience a vibrant art scene, live music, celebrated restaurants, sports, and four distinct seasons. Kansas City, only 45 minutes away, is home to major league sports, performance venues, and an international airport.
