

GAME PRODUCTION

BACHELOR OF FINE ARTS PROGRAM

Imagine getting the next “big idea” for a new video game. Game design opened up a whole new universe for avid gamers. Do you have the imagination to take it to the next level? Turn your talents into skills that can help you get there. Today the stratosphere. Tomorrow the universe.

You Imagine. We can get you there.™

These are some of the career opportunities in Game Production. With the right education and your own initiative, one of them could be in your future:

- > 3D Modeler / Artist
- > Assistant / Associate / Junior Producer
- > Character Artist / Modeler
- > Level Designer
- > Texture Artist
- > Environment Artist / Modeler
- > Animation Scripter
- > Asset Manager
- > 2D / 3D Scripter
- > Game Play Scripter
- > Concept Artist

Game Production is a comprehensive program emphasizing multiple aspects of game production. Students will have an opportunity to develop knowledge, skills and competence in asset development and integration, game play, team collaboration, written and verbal communication, and business operations. In addition, students will be engaged in the integration of theory, process, and digital assets that lead to successful production of games, culminating in a digital portfolio.
