

# REVOLUTIONARY REFRACTIONS

LIMITLESS POSSIBILITIES

## DELEGATION HAS NEVER BEEN EASIER

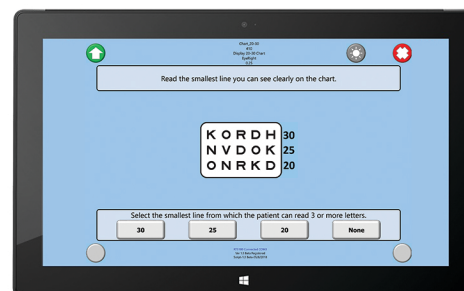

Described by users as "Easy, quick, and helpful" Marco Infinity can save time when training new employees, while protecting against staff turnover or shortages.

## Do it Right. Contact Marco First

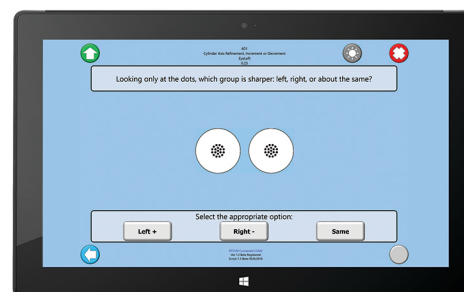

With the right combination of simplicity and usefulness, Marco Infinity makes the delegation process easy. Train novice technicians to refract in as little as half an hour, and trust the results they give you thanks to our patented logic-based software.

It's what we do. [www.marcofirst.com](http://www.marcofirst.com) 1.800.874.5274

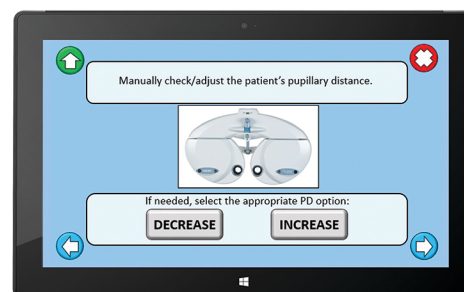

## STANDARDIZE YOUR PROCEDURES

A singular hand-built process that makes certain that results are free from user error and bias.

## INCREASE PATIENT THROUGHPUT

Leverage computing power and logic to speed up the delegated refraction process.

## REDUCE TRAINING COSTS

An intuitive program designed to be used by even a novice technician with less than an hour of training.
