AGILE®

The world's most complete
project management solution

Visit: axelos.com/prince2-agile-month

What is PRINCE2 Agile®?

PRINCE2 Agile is the world's most complete project management solution, combining the flexibility and responsiveness of Agile with the clearly defined framework of PRINCE2®.

Prerequisites

To sit the PRINCE2 Agile exam you must hold PRINCE2 Foundation or another recognized project management qualification (i.e. Project Management Professional (PMP)®, Certified Associate in Project Management (CAPM)®, IPMA Level A®, IPMA Level B®, IPMA Level C®, IPMA Level D®).

Why choose PRINCE2 Agile®?

PRINCE2 Agile® is all about using PRINCE2® and Agile in the right place, combining them together until you have the perfect mixture and blend.

Developed in response to demand from user communities, PRINCE2 Agile provides more structure, governance and control when working with Agile concepts, methods and techniques, including scrum, kanban and lean start-up.
