

# Advanced Breast Pumps, Adapters, and Accessories

With a variety of electric and manual breast pumps, adapters for pumping and storing breast milk, and all of the accessories you could need, Evenflo Feeding is dedicated to helping simplify your pumping journey!

## ADVANCED BREAST PUMPS

### Advanced Double Electric Breast Pump

Designed with leading lactation professionals, the Evenflo Feeding Advanced Double Electric Breast Pump includes premium features moms are looking for. This hospital strength, full-time use pump helps maximize milk output, is comfortable and gentle on breasts, and is quiet and portable for discreet pumping anywhere.

### Deluxe Advanced Double Electric Breast Pump

All the great features of the Advanced Double Electric Breast Pump, PLUS a universal shoulder tote, a cooler bag with ice packs, and more!

### Advanced Single Electric Breast Pump

Designed for occasional-use pumping, this lightweight option features an easy-to-use dial, multiple flange sizes, and a closed system.

### Advanced Manual Breast Pump

A must-have for every pumping mom! Extremely compact, this manual pump is ideal for relieving engorgement, or for tossing in your purse on a date night or quick trip. And the pivoting handle gives you the flexibility to pump at the angle most comfortable for you.

## BREAST PUMP ADAPTERS

### Advanced Milk Storage Bag Adapters

Pump directly into your milk storage bags! Eliminates spills and wasted milk during transfer.

### Balance + Wide Pump Adapters

Pump directly into your Balance + Wide Neck Bottles.

## PUMPING ACCESSORIES
