

ENGLAND

MANCHESTER

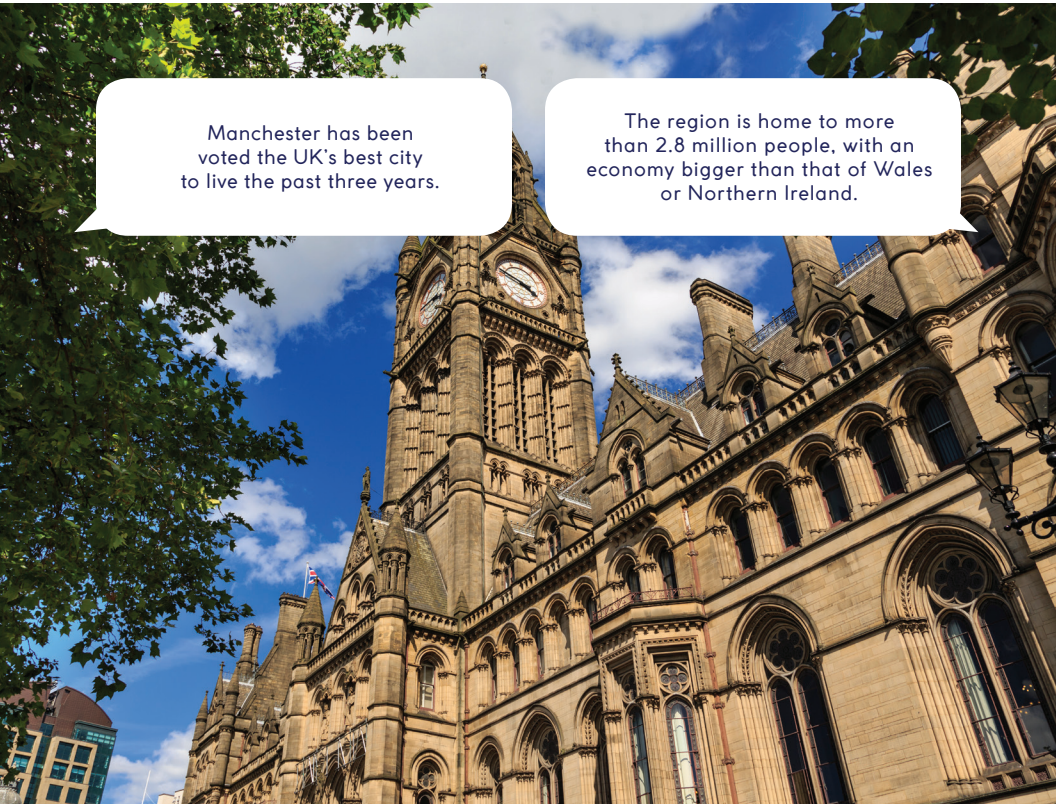

Manchester is the UK's 2nd largest city and has become a leading tourist destination and economic powerhouse. Manchester dazzles its visitors with its friendly Northern hospitality and world renowned football clubs, whilst still maintaining its characteristic grit and economic drive. The largest student hub in the UK and surrounded by the sweeping English countryside, Manchester offers many enticements for students and professionals, and has drawn many world organizations to base their UK operations in its historic streets.

CRCC Asia

Manchester has been voted the UK's best city to live the past three years.

The region is home to more than 2.8 million people, with an economy bigger than that of Wales or Northern Ireland.
