

\$5,000 Buying Into Baltimore Incentive

Terms & Conditions

The \$5,000 Buying Into Baltimore incentive is a five-year forgivable loan that appears as a second lien on a property. The lien balance will reduce by 20% per year for five years until forgiven (or repaid). Properties sold or rented before the forgiveness date (year five) will be charged the remaining balance of the lien. Upon refinancing, the balance of the lien can be subordinated.
