Our Goal

At Argosy University, our passion is teaching and learning. We develop professional competence, provide opportunity for personal growth, and foster interpersonal effectiveness. Students succeed because our university community engages and supports them.

Reasons to attend Argosy University

Accreditation

Flexible Learning Options

Balancing the demands of work, family, and an education can be tough. That's why Argosy University offers a variety of degree programs in flexible learning formats, including evening and weekend courses, designed to fit your busy schedules. Argosy University meets our students' needs by giving them the choice of campus or blended learning. Whatever your choice, you are offered the same quality coursework and outcomes.

Credit Transfer

Argosy University works with each student on a case-by-case basis to assist in determining the maximum amount of credits that can be transferred. These credits may come from your military training through the ACE guide, CLEP, or DANTES testing, or from another accredited institution.

Community Involvement

At Argosy University, learning isn't limited by the boundaries of the classroom. Our students are engaged in the communities in which they live and attend school. They volunteer their talents to organizations large and small to help make their corner of the world a better place. This is the common thread that runs through our schools: a commitment to service from the students and assurance by faculty and staff to graduate students who are life-long learners and important contributors to their communities.
