PURSUING A DEGREE ONLINE

By pursuing your degree online, you are able to attend class at MSU regardless of your location or time zone. You communicate and interact with your instructor and peers completely online, allowing you to earn your entire degree without setting foot on campus. Since online courses are available 24 hours a day, you can work on your course when your schedule allows.

If you have never taken an online course before, we encourage you to visit our Online Tutorial on our website, www.minotstateu.edu/online/tour.shtml. This tutorial is designed to introduce you to some of the fundamental concepts that are involved in being a successful online student. You will also have an opportunity to login to an online course in Blackboard, our learning management system.
