Testimonials

"I have always found NREIG to meet my needs. My Client Service Representative, Monica has demonstrated great customer service skills while meeting my needs in a timely fashion. I plan to continue using this team as part of my strategy going forward as I expand my investment portfolio."

"I have worked with NREIG over the last 8 years. They provide not only a great product, but excellent service. Anyone can collect a premium on a policy. NREIG makes sure you are appropriately covered for your exposures, your liabilities are limited, and you are not "over insured." When we have had a claim, NREIG has made it an easy process. They have listened to our concerns, and given us a sense of calmness knowing that they are working to our benefit with our carrier."

... **MISSY M., OHIO**

"To be a successful real estate investor, it's important to align yourself with partners that have you covered in times of need. Insurance is one of those things that is a necessary evil, and doesn't seem to matter much...until you need it. We work too hard to allow circumstances out of our control to impact our business, and in my time of need, NREIG was there for me. As the founder of FlipNerd.com, I regularly meet and network with high profile real estate investors, and never hesitate to recommend the good folks at NREIG."
