The Oracle Applications Users Group (OAUG) is the world's largest education, networking and advocacy forum for Oracle Applications users.

There is so much knowledge available on the OAUG website to assist in understanding features, products, gaps and more. ”

— Melissa English, Global Training Manager, Alticor/Amway

# YOU ARE THE OAUG

---

You're an information technology manager, database administrator, business analyst, project manager, accountant or financial analyst.

You use E-Business Suite, Hyperion, Fusion, Cloud Applications, Primavera, Human Capital Management, Oracle Business Intelligence Enterprise Edition (OBIEE), BI Publisher, Siebel, Endeca, Agile, or Demantra.

## **You Find Answers**

OAUG members save time and money by applying other users' tips, successes, and lessons learned.

## **You Network with Real Users and Experts**

OAUG members share ideas and best practices to make the most of their Oracle Applications.

## **You Influence Oracle**

Oracle listens to the collective voice of the OAUG.

## WHY JOIN THE OAUG?

---

Find the answers you need to get ahead through educational resources and networking opportunities from the OAUG:

### **Conference discounts:**

Save hundreds or even thousands of dollars while sharing best practices and networking with peers and experts at OAUG events. The savings really add up when you send a team to the annual COLLABORATE conference. Each member company employee saves nearly \$400 on registration and there's no limit on the number of employees who can use the conference discount.

### **OAUG member database:**

Connect with key contacts at other OAUG member organizations. The member database is only accessible to OAUG members.

## **Online educational resources:**

Find answers by downloading papers, presentations and case studies from the OAUG Conference Paper Database. Everyone can search the conference paper database but only OAUG members can download the resources.

## ***OAUG Insight* magazine:**

Read practical articles on implementation techniques, case studies and more in each quarterly issue. Member organizations get 10 copies of each issue by mail and all members have unlimited online access. *OAUG Insight* is free but limited to OAUG members only.

## **eLearning webinars:**

Participate in live and recorded OAUG eLearning webinars to hear best practices and problem solving information without leaving your desk. Registration for OAUG eLearning sessions is free but limited to OAUG members only.

## **Customer Support Council:**

Share your thoughts and suggestions with Oracle through the OAUG Customer Support Council or during face to face meetings at OAUG events. The council also publishes a quarterly newsletter, *OAUG Support in Focus*, which is only available to members.
