Your site.
Our strength.

ODSite. Websites for Optometrists.

You need a superior website for your Practice. Not a directory listing, or a site built by a programmer you can't reach, or a designer you can't afford. With ODSite you'll get a website designed with Optometrists in mind – one that attracts new patients and keeps existing ones coming back. At EyeCarePro we are with you every step of the way. Start with ODSite, and when you are ready, boost your results with ODLite and ODLingo web marketing services.

For just $49.95/month ODSite provides your Practice with:

- An attractive, professional, HIPAA compliant website.
- Tools and partnerships specifically created for Optometrists.
- User-friendly, web-based tools to edit and manage the site.
- Professionally written, search engine friendly content.
- Attentive, effective customer support services.

Try it free for 10 days! Call 866-886-4442 or visit www.eyecarepro.net to set up a website for your Practice today.

Your Site. Our Strength.

ODSite Explained.

EyeCarePro provides your Practice with an attractive, professional, sophisticated website at a fraction of the cost of designing, programming and hosting your site independently. ODSite makes set up simple and efficient with easy-to-use online tools and a great Customer Support team available when you need them. With ODSite you get *peace of mind* – your website looks great, patients are happy and it's easy on your time and budget.

Look Great Online

Choose from a collection of beautiful site designs and color schemes.

Present a sophisticated, high-performance site that reflects your commitment to patient care.

Educate patients and promote your Practice with over 100 pages of professionally written, SEO-friendly, optometric content.

Add impact with videos, 3D images, attachments and photos (upload your own or choose from our library).

Keep Patients Happy

Provide 24/7 access to your virtual office.

Give patients the ability to schedule Appointments online.

Allow patients to complete Registration forms from home.

Streamline and encourage contact lens orders through e-commerce partners.

Provide a valuable source of online optometric information.

Save Time & Money

No set-up fees, no yearly contracts, no hosting fees and no charge for domain and email setup.

Eliminate website editing costs and delays; update your site as often as you want using simple online tools.

Cut expenses with HIPAA compliant forms and appointment requests provided to your staff electronically.

Take advantage of our top-notch customer support for help when you need it.
