PEOPLECERT

ONLINE PROCTORING

Real proctoring, made easy

The **Simple** and **Secure** approach to **exams**

Innovation in exam delivery

With PEOPLECERT Online Proctoring, your candidates can take an exam on their computer from the comfort of their own home or office. All they need is a webcam and an internet connection.

Security

Our online exams adhere to the strictest security standards and observe the latest identification requirements.

Integrity

We guarantee the integrity of the exam by monitoring your test takers and their surrounding environment at all times the duration of the exam. We also use advanced technology to identify cheating attempts.

Consistency

The exam experience is the same for every test taker, giving you peace of mind with a standardized and fair process.

Reliability

Our trained online proctors utilize the powerful exam technology to provide a reliable experience for the duration of the exam.

Quality

A combination of exceptional customer service and user-friendly tools, ensure a 99% satisfaction rate.
