# GET ARMED!

## MISSION 1: KILLER BLACK SHIRTS

Accept your first mission, and be prepared to be armed with all the ammunition you need to start producing Killer Black Shirts to stun your customers and knock out your competition!

OPERATION: SCREEN PRINT is a training series geared specifically for screen printers. The first mission - KILLER BLACK SHIRTS - will teach you everything you need from creating artwork properly for black shirts, to separating and printing your positives. But your mission won't stop there...learn how to prepare screens and go through the entire printing process. Get ready to stock your arsenal of knowledge and be prepared to start shooting out killer black shirts!
