

# Pet Insurance Made Easy

## Exclusive Pricing

One set price is offered, regardless of the pet's age, based on state of residence

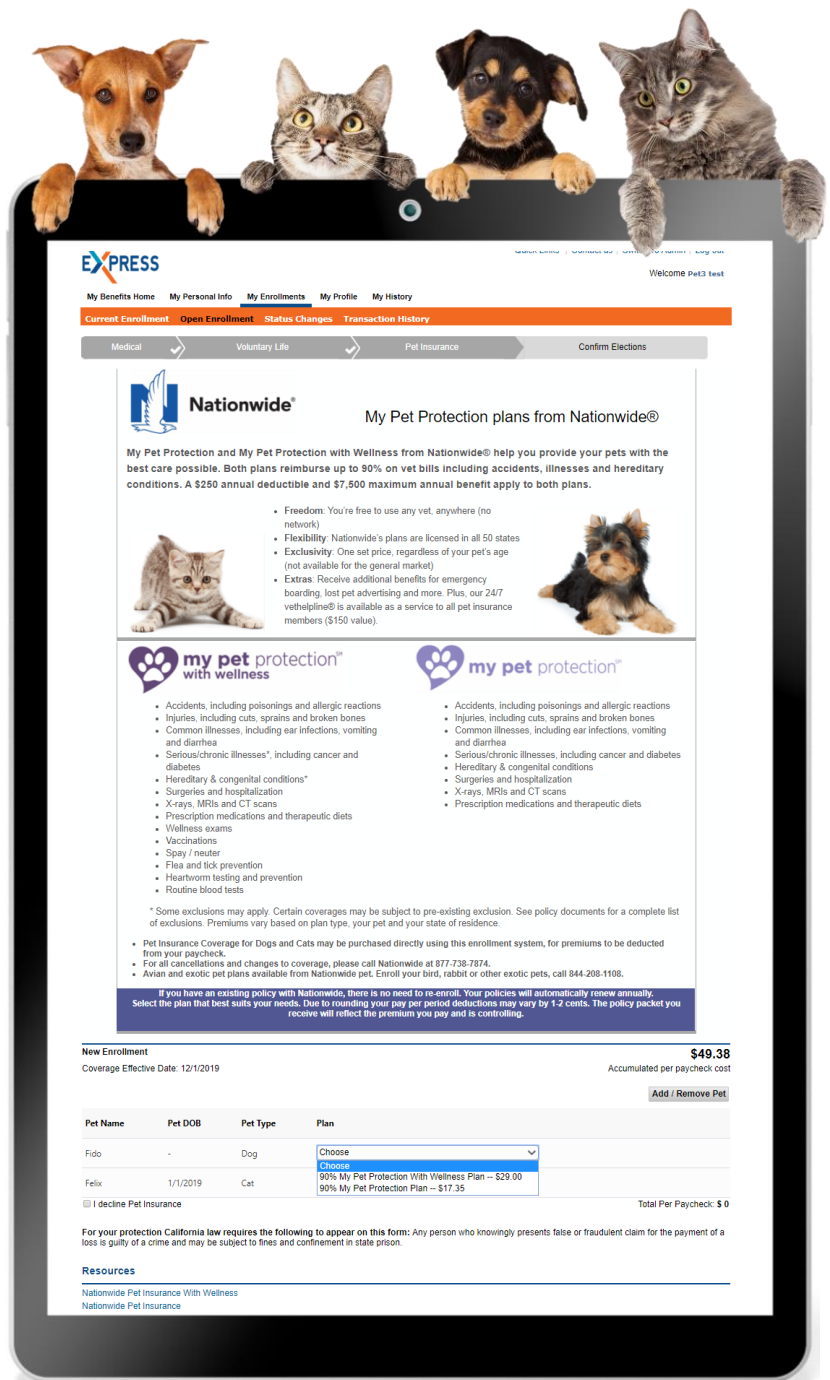

## Easy Enrollment

The enrollment is simple and integrated with enrollment in other benefits

## Easy Payroll Deductions

Per pay cycle deductions included with deductions for other benefits

Offering pet insurance as a voluntary benefit is easier than you think.

No need to direct employees to the web site of the vendor, or download premium reports from there, or calculate per-pay-cycle deductions from monthly premiums.

<sup>1</sup> Average based on similar plans from top competitors' web sites for a 4-year old Labrador retriever in Calif., 90631. Data provided using information available as of December 2017.

Workforce Junction has partnered with Nationwide to make pet insurance plans as easy to include in employee benefit programs as other core benefits.

Nationwide offers exclusive plans at prices that deliver an average savings of 30% over similar plans from other pet insurers<sup>1</sup>.
