

# Mature ESOP Consulting Services

Prairie consults with boards of directors, fiduciaries and management teams to help navigate each phase of their ESOP strategy. ESOP structures often present unique challenges to corporate decision-makers.

These unique challenges often translate to broader corporate strategy issues which can impact long-term shareholder value. Prairie's extensive ESOP experience and consultative approach helps to provide clarity to decision-makers.

Prairie provides consultative services in the following areas:

---

## Why Prairie Capital Advisors?

Prairie understands the complex regulatory, tax and financial issues that must be considered across the full spectrum of Mature ESOP Consulting engagements. Whether we are engaged by the board of directors, management or an ESOP trustee, the result-oriented services we provide are tailored to meet our client's strategic objectives.
