

Locate in-network providers in a click Finding the right dentist is easy with Unum

Find a Network Dentist via unumdentalcare.com.

Visit www.unumdentalcare.com and click "Search Now" in the "Find a Dental Provider" section located on the left-hand side.

Search by Name: Select your state. Enter the dentist or facility name and "Search."

Search by Location (shown above): Choose the provider's specialty. Enter an address, city/state or zip. Select the search radius under "Show all dentists within" and click "Search."

On the "Find a Dentist" page, select the "Dentemax Plus/AlwaysCare" network from the drop-down menu. Then, choose to search by dentist name or location (city/state/zip). Click "Search."

4 The search will produce a map, list of network providers and the option to download a PDF of the search results to print or save to your computer.

Find a Network Dentist via the AlwaysAssist Mobile App.¹

Login	
	Login

 Login to the AlwaysAssist app on your iPhone or Android device.

3 Search by your current location (based on your phone's GPS), home address or zip. Then choose a search radius.
