

## North American Faculty

### Mary Rotert, RN, MS, CAISS

Mary has been involved in trauma care for several years in the role of Trauma Program Manager as well as Research Consultant for the Washington State Department of Health, EMS & Trauma Systems. Her goal has been to share her knowledge while elevating the recognition of trauma registrars through enhanced skill and education.

Mary has been AIS faculty since 2001 and currently enjoys her dogs, sewing and gardening at her home in Washington State.
