

2015

ANNUAL MEETING AND EXPOSITION

DISNEYLAND® RESORT

April 26 - 29, 2015 | Anaheim, California

www.common.org/annualmeeting

The COMMON 2014 Annual Meeting and Exposition is the premier educational and networking event for the IT and Power Systems industry. Join COMMON and the rest of the community for the largest meeting of Power Systems users, IT professionals, and solution providers in the world.

The COMMON 2014 Annual Meeting offers:

- Four full days of in-depth IBM i, AIX, and Linux education
- All-day pre-conference workshops, open labs and sessions.
- Industry expert speakers on a variety of Power Systems topics.
- World's largest Power Systems Exposition with the latest in solutions and products.
- Networking opportunities with vendors, experts, and peers.
- Independent certification in Business Computing and RPG.
- Great destination for family and vacations.
