

## SFS FINANCIAL AID APPLICATION

All SFS financial aid (scholarships, grants, and loan options) is need-based. SFS does not offer any merit-based scholarships. SFS will use the information provided on this application to determine your level of financial need and will offer aid based on that assessment. All students who exhibit financial need for their SFS program will receive some form of financial aid from SFS. Please visit our website (<a href="www.fieldstudies.org/admissions/aid">www.fieldstudies.org/admissions/aid</a>) for a complete description of SFS scholarships, grants, and loans. When you submit this aid application, you will be considered for all types of SFS aid.

#### THINGS TO KNOW BEFORE APPLYING:

- In order to complete the following application, you must have a FAFSA on file with your home institution. Please contact SFS Admissions for further instructions if you are an international student or are not currently enrolled in a college/university.
- Be sure to ask your study abroad office or financial aid office what financial aid resources might be available at your home institution to support study abroad. It is your responsibility to understand the requirements, deadlines, and additional offerings of your home institution regarding financial aid for study abroad.
- Aid applications will not be reviewed until students are accepted to a program and the non-refundable Program Commitment Deposit has been paid.
  - If your participation is dependent upon the amount of aid you will receive from SFS, you may email your SFS Admissions Counselor to request a financial aid estimate prior to paying the Program Commitment Deposit. The entire SFS financial aid application must be completed and submitted to be considered for an estimate, and estimates are provided after a student has been accepted to a program.

### **TO APPLY:**

You will work with your study abroad office and/or financial aid office on campus to complete your SFS Financial Aid Application. Along with the attached form, you will need to submit the following two pieces of documentation:

- 1. The Student Aid Report (SAR) that you receive from FAFSA showing your Estimated Family Contribution (EFC).
- 2. **Documentation of any financial aid** you receive from your home school or external sources.

### **HOW TO SUBMIT:**

**UPLOAD:** Students can upload the financial aid application items to their portal via the checklist once accepted to a program. Students are encouraged to work on their financial aid application prior to being accepted so that they will be ready to submit the necessary items as soon as possible upon acceptance.

Students may submit application materials outside this timeline via email to admissions@fieldstudies.org.
