Online Speedbuilding Program

Why SimplySteno?

SimplySteno takes the best parts of the classroom experience and moves them to an online platform that's simple to use. Court reporting is a challenging program, so it's important to have the proper tools, structure and feedback to succeed.

- Daily structure means you make the most of your time
- Weekly feedback ensures you're working properly
- The classes you need - ONLY the classes you need

About Us

SimplySteno was created in 2004 by Marc Greenberg as a way to allow students from all over the world to speedbuild in an effective manner. The daily lessons were developed with the assistance of successful court reporters, captioners and CART providers.

In addition to the SimplySteno online program, Marc Greenberg produced and directed the court reporting documentary, *For the Record*, a selection at several top film festivals across the country.
