

Create, edit and review content with the light-weight HP Slate 2 Tablet PC, with a full-featured Windows®-based experience, improved HP recommends Windows® 7.

The HP Slate 2 Tablet PC is ideal for people with jobs that frequently take them away from a traditional desk yet need to remain productive in a familiar Windows® environment or who use custom applications for Windows environments.

## Enhanced touch capabilities

The capacitive multi-touch display of the HP Slate 2 lets you navigate on the screen with the touch of your fingers. The Touch Enhancements for Windows 7 improve the navigation and provide easy-to-use touch buttons. Use the optional HP Slate Digital Pen<sup>3</sup> and Evernote software to handwrite messages and take notes. The new Swype keyboard enhances the user's touch experience with a soft keyboard that allows for efficient, fast data entry. Alternatively, users can opt to use the traditional Microsoft onscreen keyboard instead.

## Stay productive

With optional integrated HP Mobile Broadband featuring\_3G,<sup>3</sup> you can conveniently access the internet, corporate networks, email and mission-critical information in more places around the

Work in the computing environment in which you're

most comfortable. The Windows 7 Professional 32-bit operating system is one of the preinstalled options on the HP Slate 2 and runs your familiar x86 software, including custom applications.<sup>10</sup> Other Windows operating systems are also available.

## Smart design

With a starting weight of only 1.5 lb (0.69 kg), this PC offers an ideal weight and size for

from meeting to meeting with the benefits of a full-featured PC.

keyboard, Digital Pen, and cards inside a single folio. $^3$ 

The flexibility you need

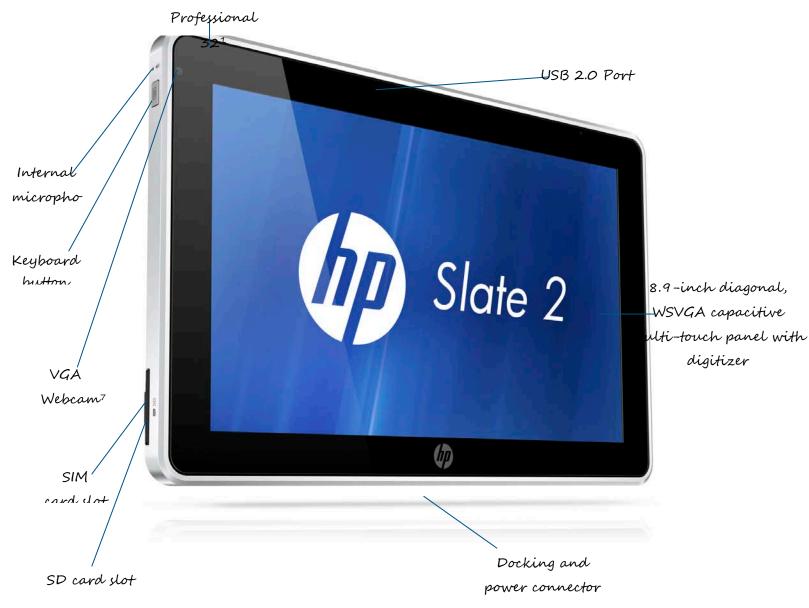

**SPECIFICATIONS** 

HP has a range of accessories designed to leverage and expand the HP Slate 2. Use the HP Slate Dock<sup>3</sup> for a desktop experience and to charge up while you work. The HP Slate Bluetooth Keyboard and Folio is a sleek, stylish executive-class carrying solution that bundles your HP Slate 2, a rechargeable Bluetooth

Windows® 7

- This system may require upgraded and/or separately purchased hardware and/or a DVD drive to install the Windows 7 software and take full advantage of Windows 7 functionality. See <a href="http://www.microsoft.com/windows/windows-7/">http://www.microsoft.com/windows/windows-7/</a> for details.
- 2. Wireless access point and Internet service is required and is not included. Availability of public wireless access points limited.
- 3. Sold separately or purchased as an optional feature.
- 4. Requires Microsoft Windows.
- 5. Intel's numbering is not a measurement of higher performance.
- 6. For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 15 GB (for Windows 7) of system disk is reserved for the system recovery software.
- 7. Internet access required. Playback may vary due to connection speeds, location, environment, network conditions and other factors. Video-enhanced IM software may be required.
- 8. For optimized WWAN performance, it is highly recommended that the case that came with this device is used when the WWAN is turned on. WWAN use requires a separately purchased wireless service contract.

  Check with your local vendor for coverage area and availability in your area. Connection and speeds will vary due to location, environment, network conditions, and other factors.
- 9. The HP Slate Dock with HDMI port is required for the monitor connectivity.
- 10. Compatible with 32 bit software and applications only.
- 11. The Computrace Agent is shipped turned off and must be activated by customer when they purchase a subscription. Subscriptions can be purchased for terms ranging from one to five years. Service is limited, check with Absolute Software for service availability outside of North America. For more information, visit <a href="https://www.absolute.com">www.absolute.com</a>.
- 12. Operating system only available to customers with qualified usage models.
