The Spotahome advantage

For Tenants

Verified properties

The most complete listings

Online visits

100% digital rental process

Safe & secure against scams

Guarantees

No language barriers

Customer support the whole way

Meet the Homechecker

We send our professionals to take photos and videos of every corner of the properties. Once edited, we create a listing page on our website which includes a detailed description of the property and neighbourhood.

The most secure way to book

Verified Properties

Our Homechecker visits the property and we create all the audio-visual materials and the listing. No more scams on non-existent properties

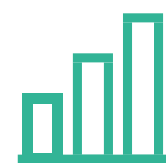

Move In Guarantee

You have 24 hours to check the property matches our listing upon move-in. If there is an issue, we'll work with the landlord to make it right

Your money is safe

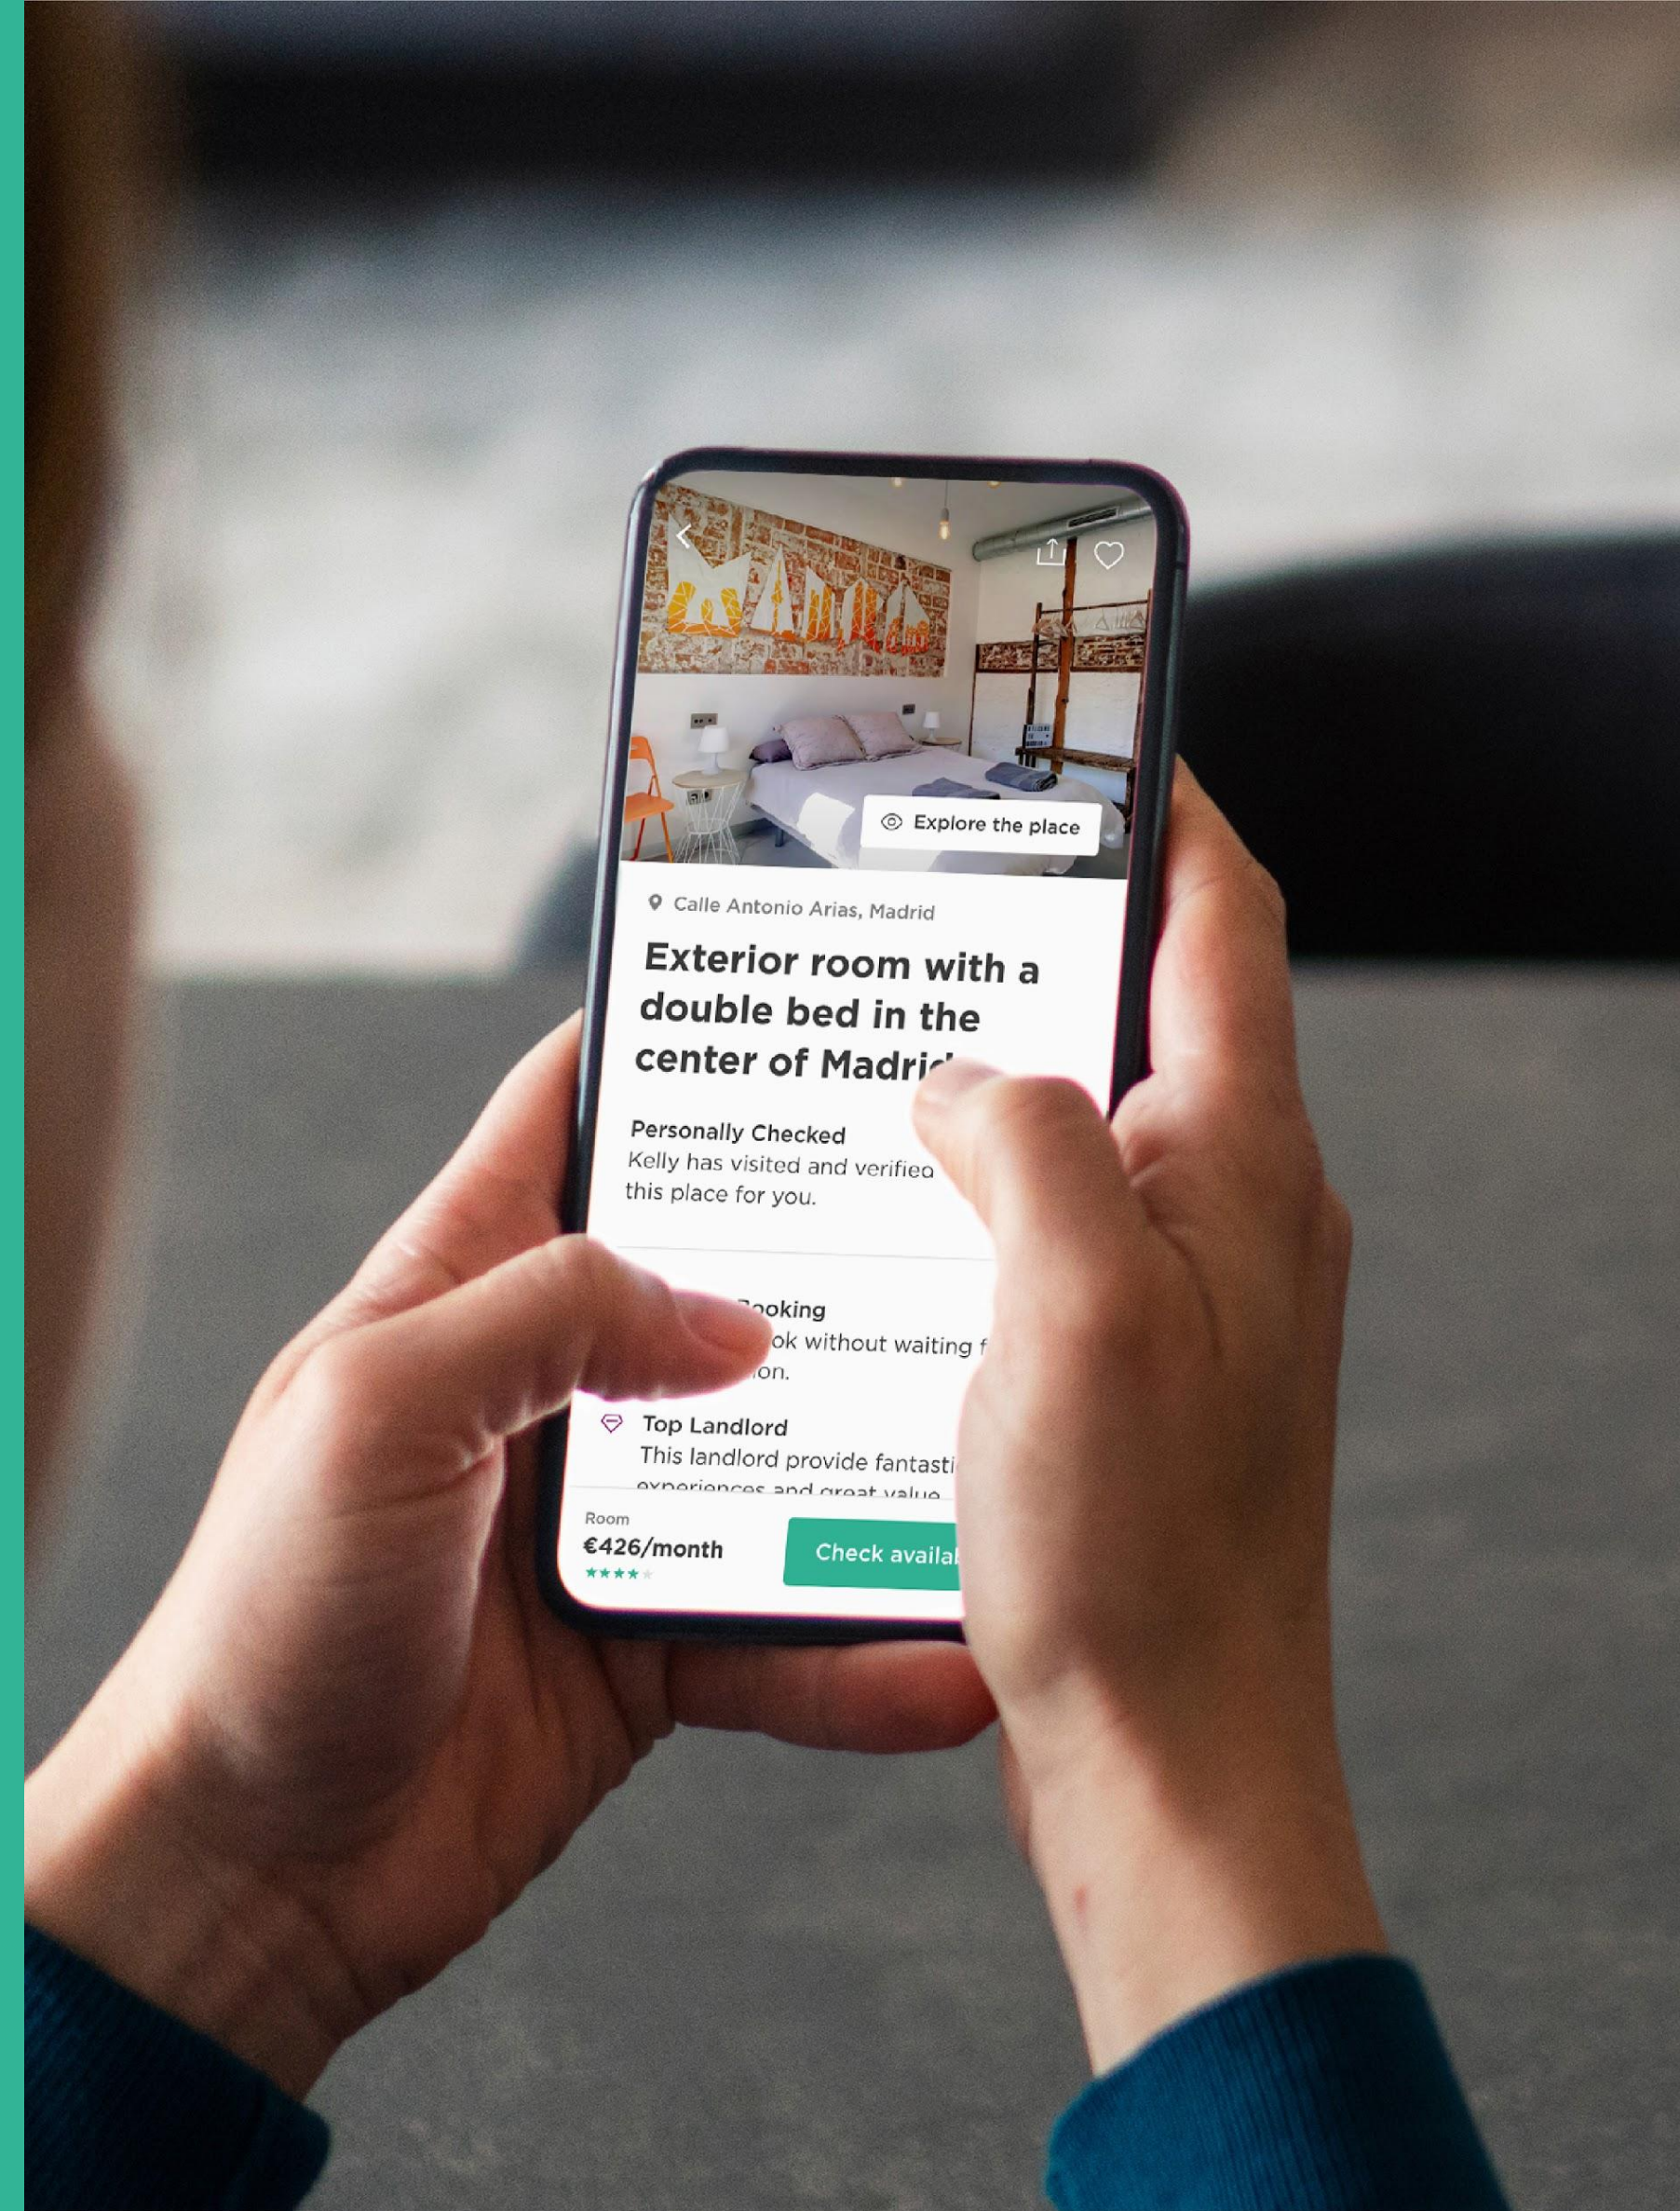

Your first rent payment to secure the property is made to Spotahome, and we only transfer this to the landlord 48 hours after you move in

Protection against Cancellations

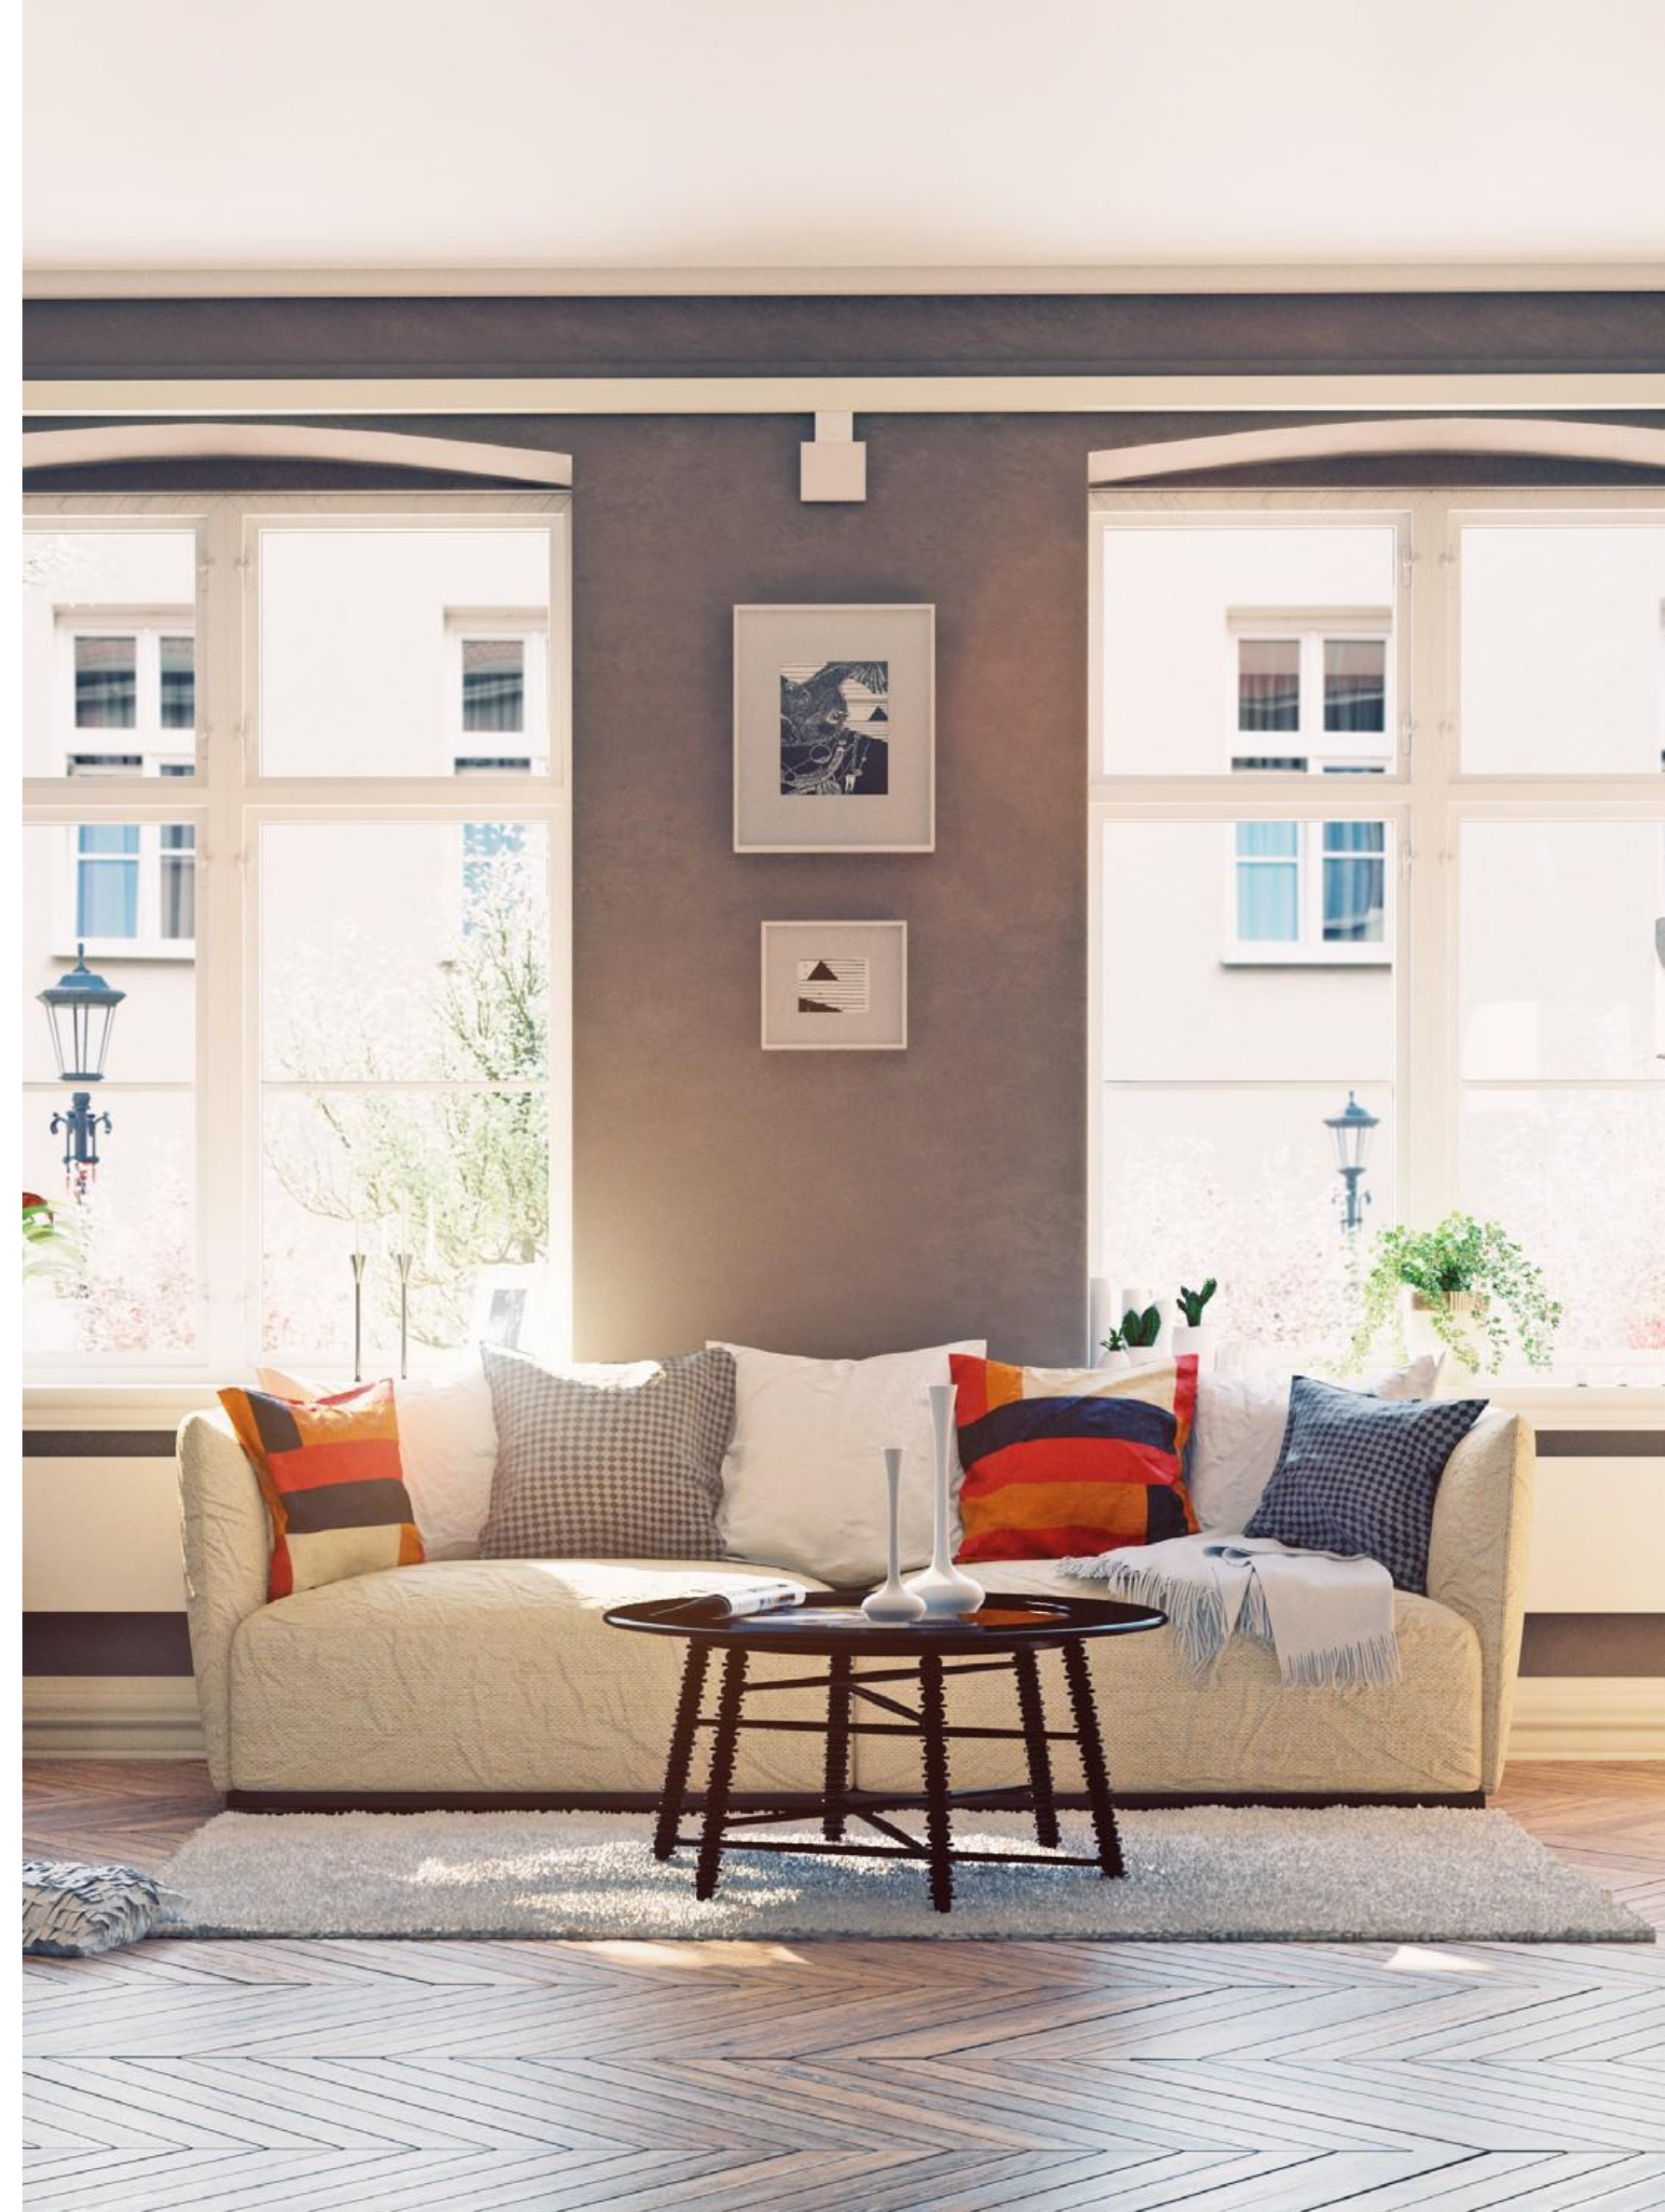

If the landlord cancels your booking at the last minute, Spotahome will put you up in a hotel and help you find an alternative home

The listing

All the information you need to book your new home online.

In-person video tours

Our homecheckers record guided videos showing the entire space helping viewers understand what makes each place special.

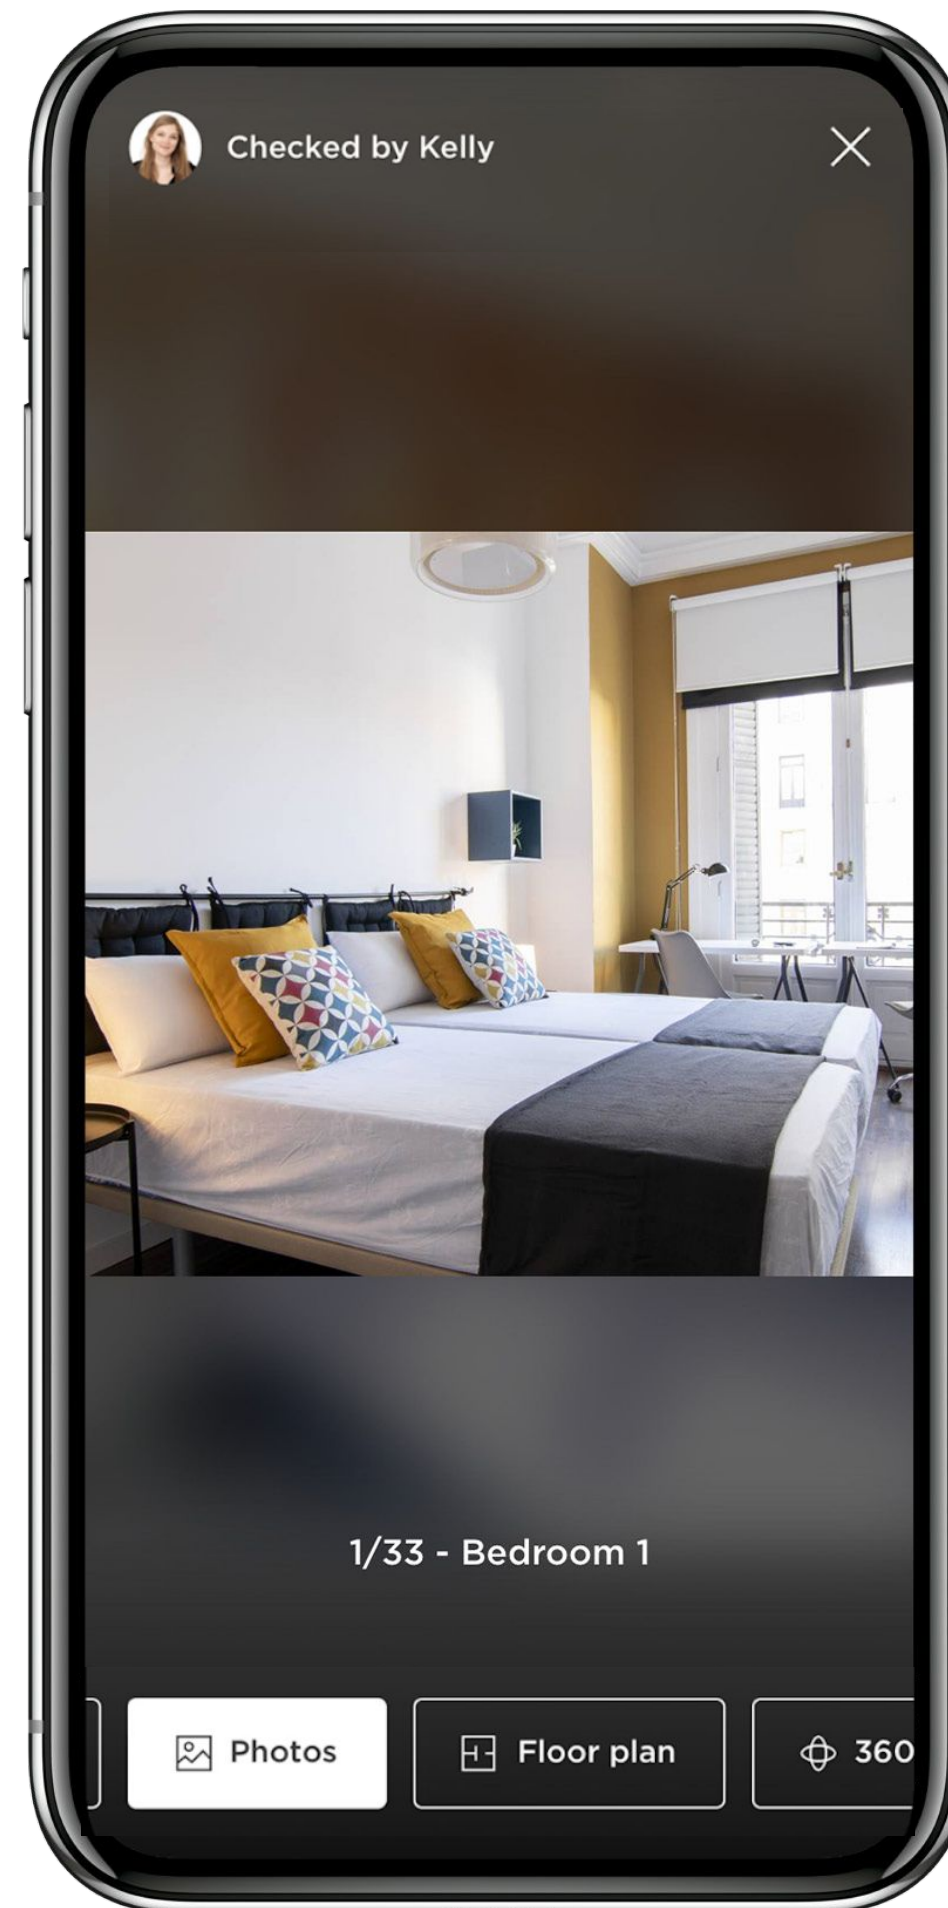

360° photos

Thanks to this technology, users are able to enter an immersive digital view of the properties, allowing them to view at their own pace.

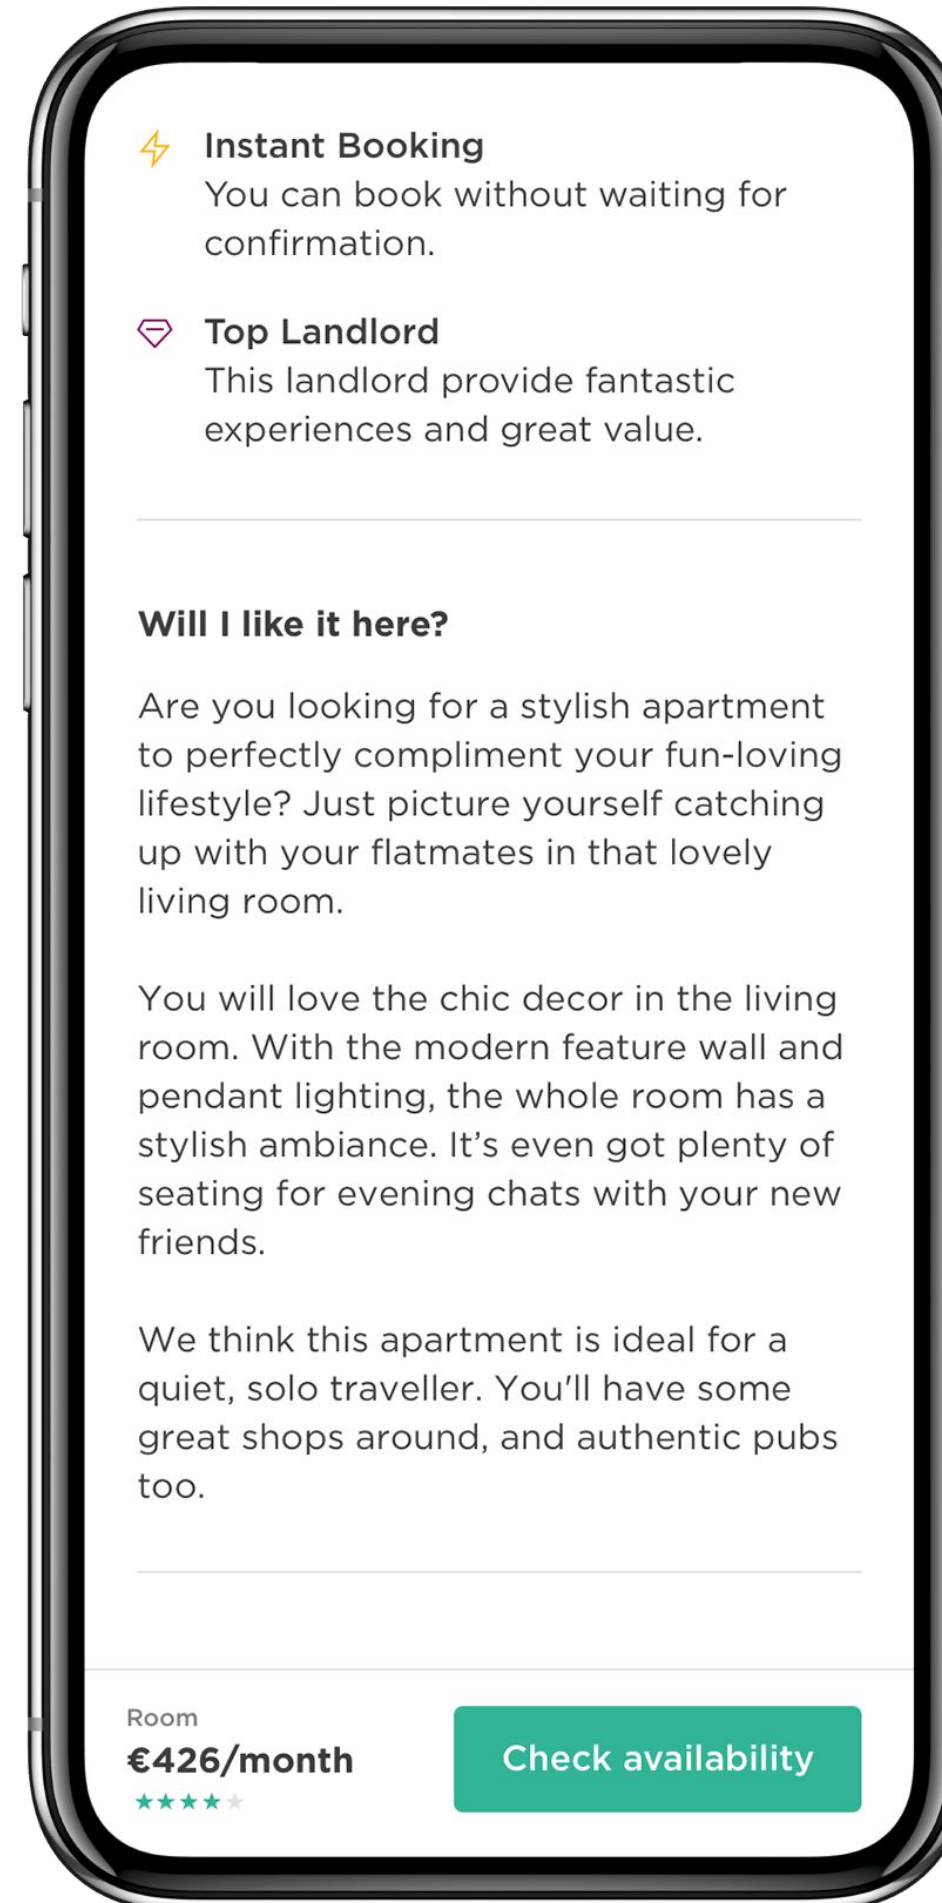

Realistic photos

Our photos hit the sweet spot - not over edited, and definitely not low quality. This allows you to make a confident decision on the best home for your needs.

Copywriting

Our team of professional copywriters create a 5-step description tailor-made for each place.
