About Study Abroad in Dublin

Dublin is a city rich with history and culture. It is celebrated for its world-famous literary history, having produced many prominent literary figures. Now, Dublin is known as one of Europe's most youthful cities, with more than 40% of its population under the age of 30. The mix of rich traditions and youthful energy comes alive through music, theatre, and sports.

Housing & Meals

Housing is provided in comfortable, well-equipped apartments in central Dublin. Apartments house 3–5 students and include shared bedrooms, bathrooms, and laundry. Meals are not included, but each apartment has a full kitchen. There are also numerous pubs and cafés within a short walk.

Excursions

Cultural excursions around Dublin and Ireland are included in the program fee. In Dublin, this could include a night at the theatre, a visit to the Book of Kells, or an outing to a sporting event. There are two main excursions outside of Dublin: one to western Ireland and one to Northern Ireland.

Learning Outcomes

- Meaningfully engage with the local community
- Understand how Irish history and culture affect contemporary society
- Develop a more complex understanding of Ireland through visits to various geographic regions throughout the country
- Increase independence and self-reliance by navigating the local university, an internship, a research project, or a practicum
