

## **The Power Practice® OnSight Program**

Our most popular service, The Power Practice partners with you at your office. Through detailed qualitative and quantitative analysis, we develop custom practice building solutions that are rooted in a proven success model. The OnSight Program includes:

1. Goal development, analysis and discussion
2. Putting together your customized on-site agenda
3. Two day on-site visit
4. Power Plan™
5. Attendance at our National Client Meeting
6. Unlimited access to our private, client-only Internet forum and email list
7. Unlimited access to our private, client-only Internet chat room
8. Subscription to our Power News® newsletter for three years
9. Participation in our client-only monthly conference calls and access to Podcasts
10. Unlimited access to our team of business experts
11. Three years of unlimited follow-up consultation via telephone, email or our live Internet help line
12. Exclusivity agreement (we won't work with another practice that's close to yours)
13. Access to Job Matching software to help assess current staff and hire new ones
14. Special client-only pricing from certain equipment and technology vendors
