

The Power Practice invites you to register for a Complimentary Practice Profitability Tune-up. This opportunity is limited for participants of **CEing isBelieving**.

With the looming challenges of healthcare uncertainty, increased costs of running your practice, staff management issues and lack of work/life balance - NOW is the time to be working with a practice management and consulting company.

The Power Practice® leverages its years of experience and practice knowledge to bring doctors the Practice Profitability Tune Up, a powerful service that puts practices' profitability ahead of industry standards.

This service typically makes available **THOUSANDS** of dollars to the doctors who follow our simple recommendations.
