

JAPAN

TOKYO

Tokyo is a city that is constantly on the move. Tokyo is a perfect blend of ultra-modern skyscrapers and cutting-edge technology mixed with temples that are centuries old. The greater Tokyo metropolitan area is the largest in the world, with the world's largest metropolitan economy. Tokyo holds the seat of the Japanese government as well as the Emperor of Japan. 51 of the Fortune 500 companies are based in Tokyo, holding the most of any city worldwide.

CRCC Asia

Tokyo is set to double its annual tourism from 20 million to 40 million visitors with upcoming international events such as the Rugby World Cup and 2020 Olympic Summer Games.

Tokyo is the world's largest metropolitan economy and hosts the highest concentration of Fortune 500 companies worldwide.

LEADING PROVIDER OF GLOBAL INTERNSHIPS IN ASIA

CRCC Asia specializes in connecting students with applied work experience in dynamic international settings. With over 12 years experience working in Asia, we have led internship programs for over 8,000+ students and graduates from more than 100 countries. We offer a range of program models built to satisfy the interests of each of our partner institutions, including a wide range of unique custom and faculty-led programming.

CUSTOMIZABLE OPTIONS

CRCC Asia's University Relations Team is able to support customized university programs including:

- Cultural Excursions such as a weekend trip to Kyoto
- Faculty-led courses at local Universities

BUSINESS & CULTURAL EVENTS

All CRCC Asia programs include a weekly event including:

- ✓ Service Learning Day
- ✓ Cultural events such as Sumo Wrestling
- ✓ Local Business and Alumni Networking Events

INTERNATIONAL SPORTS EVENTS

CRCC Asia is eager to discuss our standard programs taking place during the Rugby World Cup 2019 and Summer Olympics 2020, in addition to the vast array of customizable program opportunities we can facilitate for these events.

"You will enhance your CV in unimaginable ways, whilst also embarking on one of the best experiences of your life. I made friends for life which span the globe and got to experience a culture that was completely new to me."

Isabelle Dicks, International Non-Profit focused on Environmental Protection
